## Condition Terminology For Paper

**Gem Unc.** (Gem Uncirculated) - The perfect uncirculated item, clean, bright, vivid, crisp (where paper permits), well-margined, unimprovable, without folds.
**Choice Unc.** (Choice Uncirculated) - A lovely uncirculated item, having only a hint of aging or unevenness of the margins, face or back, or narrow margins which take it out of the "Gem" class.
**Unc.** (Uncirculated) - As made or issued, but margins may be poor, the item lightly aged, with border trimming.
**Choice AU** (Choice Almost Uncirculated) - Essentially a mishandled uncirculated item with deficiencies like a corner fold, teller counting smudge or count wrinkling.
**AU** (Almost Uncirculated) - There is one fold, a teller counting smudge or counting wrinkling present.
**EF** (Extremely Fine) - An item which may, at first glance, look uncirculated, but which has several petty folds, or a hard crease down the center perhaps with corner folds. Crisp, bright, vivid and pleasing, the paper as made, permitting.
**VF** (Very Fine) - Typically an item marked by moderate quarterfolds with perhaps a few other signs of handling. Should be clean, not seriously aged, torn, or pinholed.
**F** (Fine) - The last grade of an item in which the paper still has body. The folds are numerous and the design is beginning to show signs of soiling wear.
**VG** (Very Good) - A well-circulated item, complete, unimpaired except for petty tears and splits, pin holes, some surface splitting along heavy folds and soiling.
**Good** - An even more heavily circulated item with body holes, petty tears and splits, very soiled and tired, scarcely legible.
**Fair** - Heavily worn, split, holed, up to 10% gone, legibility seriously impaired.
**Poor** - A mere remnant, tattered and torn, scarcely readable with typically more than 10% of its surface area gone.
**Abt** (before a grade) - A shade below the grade it precedes.
**Plus or +** (following a grade) - A shade better than the grade.
**VF-EF** (hyphen between grades) - The grade is about halfway between the two grades shown.
**VF/Good** (slash between two grades) - Face and back are two different grades. The grade preceding the slash is for the face. The grade following is for the back.

# SOCIETY OF PAPER MONEY COLLECTORS

## HISTORY

At the 1960 A.N.A. Convention in Boston, a small group of paper money collectors met informally and agreed that a regular organization would be desirable. During the next year, an organization was formed comprising collectors of tokens, medals and obsolete paper money. At the 1961 Atlanta A.N.A. Convention, it was decided to withdraw from the tokens and medals group and organize separately into the Society of Paper Money Collectors. In June 1964, the Society was incorporated as a non-profit organization under the laws of the District of Columbia.

This note was issued on the original 1733 form but is dated 15 years later. We do not know of more than a handful of the notes of this issue of which this is the finest available that we have seen appearing on the market. If rarity were the chief criterion, this would easily be worth $10,000.

TWO THIRDS OF A DOLLAR.

**1024 Maryland.** July 26, 1775. **$2/3.** No.4763. **VG,** soiling, right edge nicks, splitting down the heavy center fold. ***($1,000-2,000)***

Signed by Brice and Duckett (badly faded). This issue was authorized for the production of gunpowder for the army. It shows George III setting fire to an American city which is under bombardment by a British fleet. The King is also depicted as trampling on Magna Charta. Britainia stands between the King and an American figure of Liberty with troops behind her. She is trampling on a scroll marked as "Slavery".

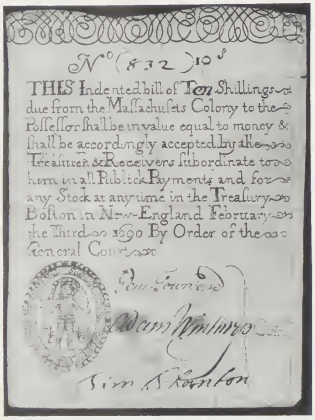
# Second Oldest American Note Issue



**1025 Massachusetts.** Act of February 3, 1690/1. **10 Shillings.** No.832. **Abt VF,** quarterfolded, staining in the area around the second signature. ***($14,000-24,000)***

Signed by Penn Townsend, Adam Winthrop and Timothy Thornton. This note is apparently a Two Shilling note raised to Ten Shillings, a denomination that did not exist for this issue but did for the earlier issue. It should also be pointed out that the only denomination heretofore known of this act was the altered 20 shilling note that follows. We are unable to find any record of the existence of another 10 shilling piece. The reason for the double year date was that at that time, the new year did not begin until March 1st, a custom going back to Roman days when the Consuls were elected that day and set out to lead the Republic's armies in the early spring.

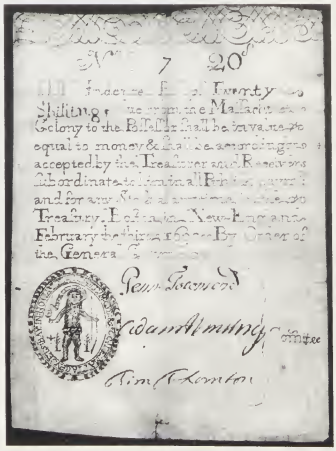
The previous issue, to which this was an addendum, came about as follows. King William and Queen Mary had displaced her father, the Roman Catholic James II as King of England. A war with France ensued and the colonists in Massachusetts Bay resolved to support the new Protestant king and queen by invading New France (Canada). As funds were short, those who volunteered to serve as soldiers, sailors or marines in the expedition to capture Quebec, were promised the "beauty and booty" of that fortress city when it was captured. This amounted to a license to commit rape and pillage against the French inhabitants. The fleet departed and in due course the invaders reached the enemy capital.

Unfortunately, the French Intendant (governor) was also fertile in coming up with financial expedients. He procured decks of playing cards, cut them up, put denominations on them and promised payment whenever the next plate fleet arrived from France. By these means, soldiers were recruited, supplies purchased and the city held.

When the winter came, the British had to retire before they were trapped by ice in the St. Lawrence River. After the fleet got back to Boston, there was a general demand for the back pay of the expedition's personnel. When this was not promptly forthcoming, it was intimated to the Governor and Council of Massachusetts that the beauty and booty of Boston might be taken in lieu of that of Quebec. The panic stricken authorities hurriedly authorized an issue of notes receivable at a premium for taxes.

To make the notes even more acceptable, the merchants agreed to receive them for the purchase of goods. The notes of this second issue were put out to cover the residue of the monies not paid by the first issue.

**This is the first time that this company has ever had the honor of selling any note from this issue and it is a double honor to sell two pieces from it.**



**1026 Massachusetts.** Act of February 3, 1690/1. **20 Shillings.** No.7. **Abt VF,** two horizontal and a vertical fold, all stained on the back. There is a small separation at the bottom, but with very little paper missing. ***($12,000-20,000)***

This note was probably the two shillings 6 pence note altered to 20 shillings, which denomination was not part of this issue but was part of the first issue. Also signed by Townsend, Winthrop and Thornton. One of a handful known to exist, most of them in institutions.

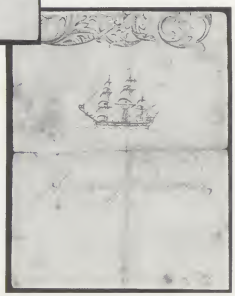
**1031 New Hampshire.** November 30, 1734 Merchants Note. **10 Shillings.** No.2274. **VF,** staining, splitting along the horizontal fold at the edges and in the body. ***($7,500-12,500)*** Signed by George Jeffrey, Theodore Atkinson and John Rindge, this last somewhat faded. Endorsed on the back by Hunking Wentworth. These merchants notes are known practically exclusively through the 7 Shillings denomination such as that pictured in Newman and those which have appeared from time to time in our earlier sales. We have handled at least a half dozen of these (some more than once) and others have been sold elsewhere. The last sales price we have heard of was at $5,000.



We have never seen or heard of this denomination in the open market. Given the rule of the square root, that is a variant on a rare note is worth the square root of the number which results from dividing the number of the commoner variety by the number known of the rarer variety, this would give a figure of at least $12,250 for this note. **This is a once in a generation opportunity to acquire this excessively rare note.**

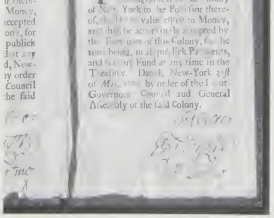
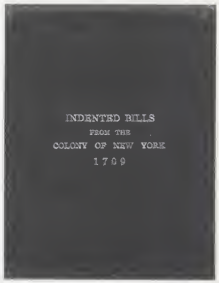
**1037 New York.** Act of May 31. 1709. **10 Shillings.** No.3369. "Governor" variety. **Gem Unc,** but there is a rough bottom edge which is, we believe, virtually as issued. The note is joined to the next lot item with a strip of archival tape that can be readily removed. ***($8,000-Up)***

Signed by Walter, DePeyster and Lurting, all reportedly early New York City mayors. This note and the one which follows were selling as a pair for $10,000 twenty three years ago. They should be worth at least $16,000 now.



**1038 New York.** Act of May 31. 1709. **5 Shillings.** No.3332. Error; fourth line "d" in "and" is inverted. **Gem Unc.** Joined to the preceding note with archival tape. ***($6,000-Up)***

Also signed by Walter, DePeyster and Lurting. Both notes were printed and bound on their sides with the tops at the left. There they were cut off the stub leaving a stub residue with which the note could be matched in case of questions regarding its authenticity. This is why such notes are referred to as "indented."



**1039 New York.** Act of May 31. 1709. **Two preceding lots offered as a pair at 5% above their combined hammer price.** Included with the lot will be the special gold tooled maroon buckram cover with silk lining stamped with the words "Indented Bills from the Colony of New York 1709". These were made for Wayte Raymond in 1954. At least one of the three known to us is now in an institution, the other being closely held and not on the market for nearly 45 years. **An Extraordinary Opportunity for the Discriminating Collector.**

**1138 $5. Fr.63.** 1863. No.68859. New Series 39. **VF.** Not too many folds, but they are sharp. Close at the right, the other three margins quite generous. Bright paper, with unusually bold color. ***($400-500)***

## Gem 1878 $5 Legal

**1139 $5. Fr.69.** 1878. No.A1668512. **Gem Uncirculated.** From a run of Uncirculated notes, few of which are really nice looking. This is a pleasant exception, with better color and margins than usually seen. ***($1,000-1,500)***

From Currency Auctions of America's January 9, 1998 sale, lot 1316.

## Gem 1880 $5 Legals

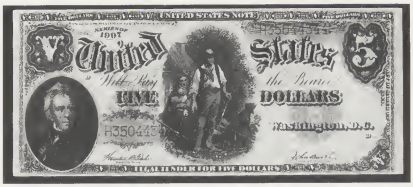
**1140 $5. Fr.73.** 1880. No.A1545020. **Gem Uncirculated,** with deep original embossing. From an original pack of fifty that somehow remained together until just five years ago. Nice unmolested notes such as this have definitely become an endangered species today. ***($1,500-2,000)***

**1141 $5. Fr.74.** 1880. No.A5544523. **Gem Uncirculated.** Another beautiful note with deep embossing. Our consignor expended considerable effort to find fully original notes, and was able to acquire very few. ***($1,500-2,000)***

**1142 $5. Fr.74.** 1880. No.A7034229. **Choice Uncirculated.** Though this note lacks the embossing of the last, it is just as nice in all other respects. ***($1,250-1,750)***

**1143 $5. Fr.76.** 1880. No.A11319489. **EF,** or very close to it. Nice even margins and original embossing. A much scarcer variety, with no long runs of Uncirculated notes known. In fact, of the 43 now in the census, only seven have been called Uncirculated. ***($450-550)***

**1144 $5. Fr.77.** 1880. No.A18704392. **EF,** centered just a bit high. A rare variety, like the last, but even rarer in high grade. Of the 47 listed in the census, only one claims to be Uncirculated, and the majority are well circulated. This one has a nice appearance, and looks a grade higher at first glance. ***($600 -800)***



**1145 $5. Fr.88.** 1907. No.H35044344. **Gem Uncirculated.** A common variety, but a lovely type note. ***($550-700)***

**1146 $5. Fr.90.** 1907. No.H59608761. **Choice Uncirculated,** a gem but for the margins. ***($300-400)***

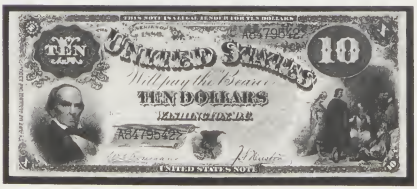
**1147 $5. Fr.91.** 1907. No.M33889537. **Choice Uncirculated,** and a full gem if the margins were just a bit better. ***($300-400)***

**1148 $5. Fr.91.** 1907. No.M35995005. **Choice Uncirculated,** and once again a full gem if it had just slightly better margins. Bright paper, with a bold overprint. ***($300-400)***

**1149 $5. Fr.91.** 1907. No.M40596531. **Choice Uncirculated.** Beautifully bright and crisp, with a brilliant red overprint. Tight across the top, but otherwise superb. ***($300-400)***

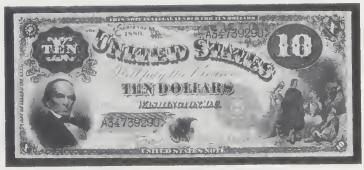
**1150 $10. Fr.95.** 1863. No.68209, New Series 15. **VG.** Trimmed slightly in at the top and right, with a tiny pinhole or two. Evenly worn, with no single heavy folds standing out to distract the eye. ***($300-350)***

**1151 $10. Fr.95b.** 1863. No.63019, New Series 51. **F-VF.** Tight at the top, with a couple of tiny pinholes, but without the edge splits that plague this issue. ***($600-800)***



**1152 $10. Fr.107.** 1880. No.A8479542. **Choice AU.** A beautiful note from an original pack of consecutive Uncirculated notes that unfortunately received a couple of corner folds at the upper left. Superb otherwise. ***($850-1,000)***

**1153 $10. Fr.108.** 1880. No.A10057054. **Choice AU.** Another basically Choice Uncirculated note from an original pack that received a couple of corner folds, broader than on the last, and at the upper right. Like the last, superb in all other respects. ***($850-1,000)***



**1154 $10. Fr.113.** 1880. No.A34739290. **Choice EF.** A pleasing note with no problems. Bright, clean and crisp. ***($500-600)***

**1155 $10. Fr.116.** 1901. No.B5266067. **AU,** with a center fold that is so faint as to almost defy detection. Get the full look of a Choice Uncirculated note without paying the price for one! ***($1,200-1,600)***

**1156 $10. Fr.118.** 1901. No.D7757243. **Fine,** but with a bit of edge damage at the top and soiling on the back. Still looks rather nice on the face. ***($350-450)***

**1157 $10. Fr.122.** 1901. No.E57553492. **Choice EF.** Despite a few light vertical folds, this note is extraordinarily attractive, with bright clean paper, bold color, and broad margins. Far nicer looking in fact than many technically Uncirculated notes. Don't expect to get this beautiful type note for any where-near "sheet." ***($1,000-1,500)***

**Serial Number 1 $20 Legal**

**1158 $20. Fr.126.** 1863. **Serial Number 1,** New Series 14. **VG** or so overall, with a few small edge splits and pinholes one might expect of the grade. One of only two Number One $20's known, the other in similar condition. ***($2,500-3,500)***

From the Rev. Frank H. Hutchins' collection, sold by Stack's, May 6, 1992, lot 1021.

**Superb 1880 $20 Legal**

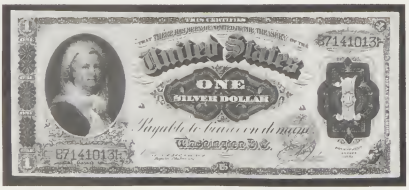
**1159 $20. Fr.142.** 1880. No.A11569461. But for a light corner crease this would be Gem Uncirculated. The bottom margin is average, but looks small in comparison to the others, which are as broad as can be. A gem looking type note that can be had for well under the gem price. ***($1,500-2,000)***

**1160 $20. Fr.147.** 1880. No.A2094728A. **Gem Uncirculated.** By far the most common of the $20 Legal's, making it an obvious choice for a top-notch type set. ***($1,250-1,750)***

**Rare 1878 $50 Legal**

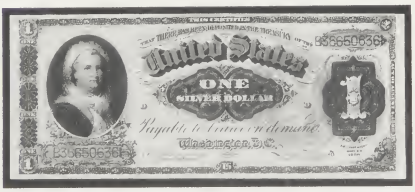
**1161 $50. Fr.154.** 1878. No.A58429. **VF-EF.** A bit close at the left and tight at the top, but a pleasing example free of pinholes, splits, or other problems. There are eighteen of these in the census (including three impounded in institutional holdings), and this is in the upper half in terms of condition. ***($5,000-7,500)***

## SILVER CERTIFICATES

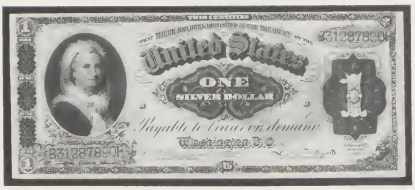


**1162 $1. Fr.215.** 1886. No.B7141013. **EF.** Bright, clean and crisp, with good margins. Looks Uncirculated at first glance. ***($600-750)***

**1163 $1. Fr.216.** 1886. No.B20601587. **Choice Uncirculated.** An absolute gem but for the margins, with beautifully bright paper and ink. ***($1,100-1,500)***



**1164 $1. Fr.217.** 1886. No.B36650636. **Choice Uncirculated.** Three broad margins, the top just a bit close at the right. A full gem in all other respects. ***($1,100-1,500)***



**1165 $1. Fr.217.** 1886. No.B31287890. **Choice Uncirculated.** A virtual twin to the last, with identical margins. Again, a gem in all other respects. ***($1,100-1,500)***

*Please note that a 10% buyer's premium will be added to each lot purchased.*

**1166 $1. Fr.217.** 1886. No.B39066560. **EF.** A beautiful note that looks every bit as nice as the last two, but has a few light folds. Crisp and original. ***($600-750)***

**1167 $1. Fr.219.** 1886. No.B60996391. **Ch AU.** A superb note that looks and feels Gem Uncirculated but has a nearly undetectable old center fold. ***($600-800)***

**1168 $1. Fr.224.** 1896. No.9404503. **Gem Uncirculated.** A pretty example of one of the most popular designs this country has ever issued. ***($1,500-2,000)***

Traceable back to veteran paper money dealer William Philpott, who sold it on April 23, 1968. It next appeared in Currency Auctions of America's September 19, 1997 sale. A $5 Educational in that sale had a photocopy of the invoice from the above Philpott sale, showing this note's serial number.

**1169 $1. Fr.224.** 1896. No.1134826. **VF,** with nice margins. The face looks a grade higher, but the back shows the fold more obviously. ***($300-375)***

### Low Number Black Eagle

**1170 $1. Fr.232.** 1899. **No.N50N. Gem Uncirculated.** Another superb note, this one with a very attractive low serial number. Beautifully original and crackling fresh. ***($350-500)***

### Another Low Number Black Eagle

**1171 $1. Fr.236.** 1899. **Serial Number T40A. Gem Uncirculated.** A beautiful original note with deep embossing. Virtually perfect, with a great serial number. ***($350-500)***

**1172 $1. Fr.238.** 1923. **CUT SHEET,** Nos.Z49694113D-116D. **Choice Uncirculated.** All would be gem if not for the margins. Bright and crisp, with bold embossing. [4] ***($250-350)***

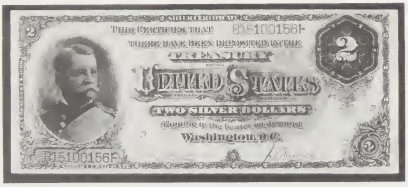
**1173 $2. Fr.242.** 1886. No.B10591631. **Gem Uncirculated.** Bright and clean, with even margins. The most common variety for this type, and a good selection for a nice type set. ***($1,750-2,250)***



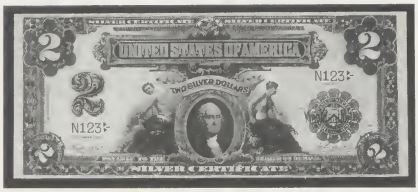
**1174 $2. Fr.243.** 1886. No.B15100156. **EF,** with the look of a higher grade. Bright and crisp, with nice broad margins. ***($800-1,000)***

**1175 $2. Fr.247.** 1896. No.903225. **EF.** Bright, clean and crisp, with even margins. A very pleasing type note that looks Uncirculated. ***($1,000-1,300)***

**1176 $2. Fr.247.** 1896. No.76297. **EF.** A nice crisp note with good margins and the look and feel of a grade higher. ***($1,000-1,300)***

**1177 $2. Fr.248.** 1896. No.20420069. **EF.** Yet another superb looking note with great margins. Every bit as nice as the last two, but with the slightly tougher Bruce-Roberts signatures. ***($1,000-1,300)***

## Gem Low Number $2 Silver



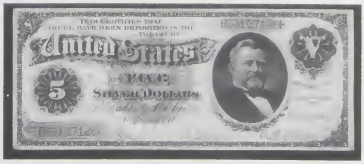
**1178 $2. Fr.256.** 1899. **No.N123. Gem Uncirculated.** A beautiful note with deep embossing. One of the most desirable 1899 $2 Silver's we've seen, with a great low number and top condition.
***($1,000-1,250)***

**1179 $2. Fr.256*.** 1899. No.*919542B. **VF.** A bit close at the top right, but a clean, problem-free example. The census now shows 21 of these, with this one about average for technical grade, better than average for looks. ***($550-750)***

**1180 $2. Fr.258.** 1899. No.N89470873. **Gem Uncirculated,** and an unusually nice note. Totally original, with strong embossing. ***($650-850)***

**1181 $2. Fr.258*.** 1899. No.*1833667B. **Fine.** Tight at the top right, but no pinholes, splits, etc. With 25 in the census this is just slightly more common than the Fr.256* above but the average grade of the Fr.258* is lower with half of them below Fine. ***($350-450)***

### Attractive Silver Dollar Back $5



**1182 $5. Fr.264.** 1886. No.B33127126. **VF,** but looks better, with a nice vivid Silver Dollar Back. ***($1,200-1,600)***

**1183 $5. Fr.268.** 1896. No.11465410. **Choice Uncirculated** with a short faint pinch in the center, not touching the edges. Superb in all other respects, with bright paper and vivid color. ***($5,000-6,500)***

**1184 $5. Fr.268.** 1896. No.16372. **Ch EF.** An unusually nice note, with vivid ink reminiscent of a Proof, and nice broad margins. Overall a more attractive example of this controversial note than many Uncirculated notes we've seen. ***($2,000-2,500)***

**1185. $5. Fr.268.** 1896. No.3411578. **Choice EF,** and easily mistaken for a higher grade, as the folds are well hidden. Bright, clean and crisp. As nice as the last, but the margins, while full, are not quite as broad as the last. ***($1,750-2,250)***

**1186 $5. Fr.269.** 1896. No.26610799. **Fine,** with some scattered tiny pinholes at each end and a couple of small black ink marks on the back. ***($600-800)***

**1187 $5. Fr.269.** 1896. No.22576939. **VG-F,** but washed, more noticeable on the back. Good margins, with no damage of any kind. ***($550-700)***

**1188 $5. Fr.269.** 1896. No.23285541. **VG-F.** Evenly worn, a bit moreso than the last, with decent margins and no pinholes, splits, etc. Lightly washed at one time. ***($500-650)***

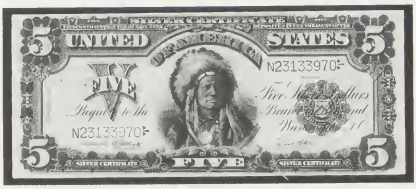
**1189 $5. Fr.271.** 1899. No.A25890630. **F-VF,** lightly washed. Good margins, with no problems. ***($350-500)***

**1190 $5. Fr.275.** 1899. No.E56968085. **Fine,** though it looks better on the face. A very unusual note, with the back centered very low, so the top edge shows a string of engraver's initials from the top of the plate. These initials normally can be seen only on uncut sheets with full selvedge. ***($325-450)***

**1191 $5. Fr.277.** 1899. No.M14117177. **F-VF,** with a half inch expertly repaired split at the right edge. A good looking note nonetheless. ***($325-450)***

**1192 $5. Fr.278.** 1899. No.M50455523. **EF.** A bit close at the top, but overall looks a grade higher. Bright and clean, with bold color. ***($750-900)***

## Superb $5 Chief



**1193 $5. Fr.280.** 1899. No.N23133970. **Choice Uncirculated.** A simply beautiful note, fully gem but for the slightly close top margin. The face engraving is darker and more lifelike than on most, contrasted nicely by the bright white paper and deep blue overprint. Nice original embossing tops off this unusually attractive note. ***($1,500-2,000)***

From Hickman & Oakes' November 11, 1988 sale, lot 228.

**1194 $5. Fr.281.** 1899. No.N60318178. **EF,** and a thoroughly classic, problem free example. This note has been folded a few times from light circulation, but try as we might, we can't find even the most trivial fault with it. ***($700-800)***

## Outstanding 1880 $10 Silver

**1195 $10. Fr.289.** 1880. No.B7197363. **EF,** and quite a pleasing example. Full even margins, bright paper and bold color make this a far more attractive note than many Uncirculated examples we've seen. ***($2,500-3,250)***

Aubrey Bebee had this note in his August 1981 Fixed Price list as "AU," (and based on appearance he was being conservative); it later appeared in Bowers & Merena's September 12, 1994 sale, as lot 35, with the proper technical grade.

**1196 $10. Fr.292.** 1886. No.B685333. **Uncirculated,** with tight margins and some teller handling at the right and at the corners. Bright, clean and crisp, and otherwise a choice note. ***($4,500-5,500)***

From the Eliasberg Collection, sold by Bowers & Merena on April 6, 1997, lot 3207.

**1197 $10. Fr.292.** 1886. No.B1574649. **Fine.** Evenly worn, with good margins and no pinholes, splits, or other problems. A solid, attractive note that looks a grade better than its technical grade. ***($600-750)***

**1198 $10. Fr.299.** 1891. No.E15039485. **Fine+.** Like the last, an attractive, problem-free note that looks a grade better than it is. Bright and clean, with good margins. ***($350-500)***

**1199 $10. Fr.304.** 1908. No.D3458710. **Choice EF.** Looks Uncirculated at first glance, with bright paper, bold color and a nice crackling freshness to the paper. ***($900-1,050)***

**1200 $20. Fr.319.** 1891. No.E8201085. **Fine,** with a couple of tiny pinholes. The face looks a grade better, with broad even margins; the back show a bit of soiling. The census now shows 40 notes known, with only four of them Uncirculated, and not too many high grade pieces. ***($800-1,200)***

**1201 $20. Fr.322.** 1891. No.H1558433. Technically **VF-EF,** but looks a grade better, with bright clean paper and vivid color. The variety with the small Teehee signature. A very attractive Manning type note. ***($1,500-2,250)***

From Donlon's November 26, 1975 sale, lot 149.

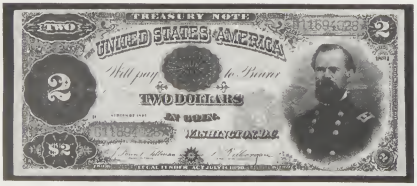
## TREASURY / COIN NOTES

**1202 $1. Fr.347.** 1890. No.A964139. **Choice Uncirculated,** and a full gem if the side margins were just a trifle better. Beautifully bright and fully crisp. ***($2,500-3,500)***

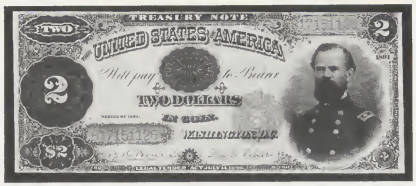
**1203 $1. Fr.351.** 1891. No.B41327336. **Choice Uncirculated.** The extreme lower right corner has been "bumped," but the margins are full and the embossing sharp and original. ***($650-850)***

### Intriguing Perforation on $1 Treasury Note

**1204 $1. Fr.351.** 1891. No.B27609620. **Choice EF.** Bright and crisp, with full embossing. A very interesting note, with "$1*" perforated twice on the face, 9mm high. We've never seen another, and the purpose is totally unknown - possibly the paper money equivalent of counterstamped coins or chopmarked Trade Dollars. ***($250-350)***



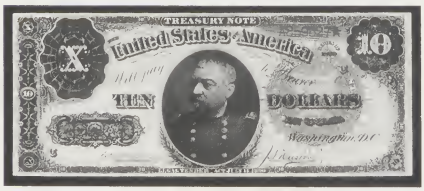
**1205 $2. Fr.357.** 1891. No.B11594028. **VF-EF,** with one small pinhole. A nice crisp note with good margins. ***($400-550)***



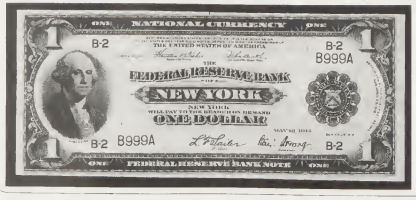
**1206 $2. Fr.358.** 1891. No.B17151126. **AU,** but with tight margins, trimmed slightly in at the upper left. Bright, clean and crisp. ***($750-850)***

### Superb 1890 $5 Treasury Note

**1207 $5. Fr.359.** 1890. No.A464552. **AU.** A perfect Gem Uncirculated note were it not for a solitary light center fold. A beautiful note that will please the most fastidious quality conscious collector. ***($2,000-2,500)***



**1208 $10. Fr.366.** 1890. No.A859627. **Choice EF.** A bright, pretty note that is basically Choice Uncirculated but has a center fold that is a bit too sharp for the AU grade it last appeared as. An outstanding, fresh note in all other respects. ***($2,000-2,500)***



## FEDERAL RESERVE BANK NOTES

### Solid Serial Number $1

**1209 $1. Fr.711.** 1918. **No.B999A. Gem Uncirculated.** A simply beautiful note with a great serial number and full original embossing. ***($350-500)***

### Six Digit "Ladder" FRBN

**1210 $1. Fr.711.** 1918. **No.B123456A. Gem Uncirculated.** A great note with the second longest "ladder" serial number in the Federal Reserve Bank Note series, beaten only by a Fr.714 with number C1234567A. Both notes first appeared in a Lyn Knight Fixed Price list twenty years ago, and have been unavailable since then. With the hot market for special serial number today, estimating this note is difficult indeed. ***($500-1,000)***

### Low Number Battleship
### From the Grinnell Collection

**1211 $2. Fr.757.** 1918. **No.D98A. Choice Uncirculated.** A bit close at the top left, with faint teller handling, but a bright pleasing note nonetheless, with a great pedigree. ***($750-900)***

From part six of Barney Bluestone's sale of the famous Albert A. Grinnell collection, June 29, 1946, lot 4639, where it is listed as bringing $12. It evidently failed to sell in the weak post-war economy, and then sold in the "cleanup" sale a year later (lot 659) at $9.50. Worth more in today's stronger market.

**1212 $2. Fr.759.** 1918. No.D3730357A. **Choice EF,** with a couple of faint folds. Good margins. ***($325-400)***

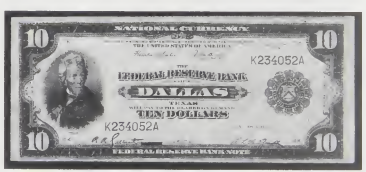
**1213 $2. Fr.768.** 1918. No.H352820A. **EF.** Clean, with a few folds. Tightly trimmed at the top left. ***($300-375)***

### All Three Rare Dallas $10 FRBN's
### From the James W. Thompson Collection

**1214 $10. Fr.819.** 1915. No.K101848A. **AU.** One of the finest known, with a very faint center fold. Bright, clean and crisp, with excellent margins. We've traced just over three dozen so far; only four have been listed as Uncirculated, and none of them could possibly look any nicer than this one. ***($1,750-2,500)***

Ex Stack's sale of the James W. Thompson Collection, March 12, 1991, lot 1865 @ $935.

### Extremely Rare Fr.820
### One of Only Four Known



**1215 $10. Fr.820.** 1915. No.K234052A. **Fine,** with good margins and not a single problem. An extraordinary rarity: with all our years of tracking serial numbers, we've found records of **only four known pieces,** none of which has been available in for the last eight years. The rarity is not surprising, as this variety came at the tail end of the Dallas issues (Friedberg has their varieties 820 and 821 out of order), and the serial numbers of the known Dallas notes indicates that the printage of Fr.820 was a mere 60,000 notes - average perhaps for a National Bank Note, but extremely low for a large size federal note. **One of the great key rarities in the Federal Reserve Bank Note series.** ***($5,000-7,500)***

The four known pieces are:

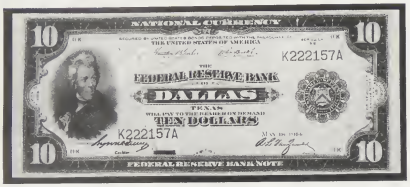
**No.K233368A.** Sold by Hickman & Oakes in June 1987.

**No.K234052A. This piece,** last sold by Stack's in their March 12, 1991 sale of the James Thompson collection, lot 1866.

**No.K235590A.** Reported by Tom Denly - no previous auction or fixed price history.

**No.K239021A.** Reported by Michael Coltrane - no previous auction or fixed price history.

### Very Rare $10 Friedberg 821
### One of Just Seven Known



**1216 $10. Fr.821.** 1915. No.K222157A. **EF,** bright and crisp, with excellent margins. Looks a grade or two better. To date only seven examples have been traced, four of them graded EF, the other three lower. Of the seven, one is owned by the Federal Reserve Bank of Chicago, and the only other one available in the last decade was a VG- sold in 1996. Another key rarity in the Federal Reserve Bank Note series, this one tied for finest known.

***($1,750-2,500)***

From Stack's sale of the James W. Thompson Collection, sold March 12, 1991, lot 1867.

### FEDERAL RESERVE NOTES
### Attractive $5 Red Seal

**1217 $5. Fr.837b.** 1914. No.F618509A. A very attractive note, with bright paper and vivid ink. This note was cataloged by Stack's as Choice EF when they sold the James Thompson collection in 1991, and as Choice New by C.A.A. a year later. While the note has no embossing, and has been pressed, the most diligent scrutiny can detect no trace of any fold or handling, and we leave it to the buyer to determine the grade. What cannot be disputed is that it looks every bit like a Choice to Gem Uncirculated note.

***($300-600)***

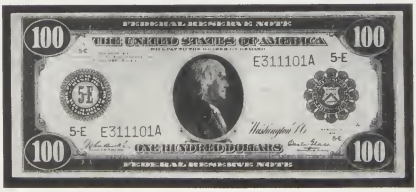
**1218 $5. Fr.871c.** 1914. No.G60772678B. **Choice Uncirculated.** The far scarcer "C" variety, not often available in top condition. ***($400-600)***

### Attractive and Rare $100 Red Seal

**1219 $100. Fr.1081b.** 1914. No.J10274A. **VF-EF,** and looks a full grade better. A bright, clean note, with nearly perfect margins and a vivid overprint.

***($1,250-1,750)***

### Very Scarce Richmond $100



**1220 $100. Fr.1101.** 1914. No.E311101A. **VF-EF,** with a small erasure mark below the right serial number. Great margins, with no damage. This is one of the "sleepers" in the Federal Reserve Note field, with just five traced to date, not one of them better than EF. ***($450-650)***

**1221 $100. Fr.1104.** 1914. No.F210008A. **EF.** A clean, problem-free note with excellent margins. There are a couple of runs of Uncirculated notes for Fr.1104 if you have a few thousand dollars to spend; if not, this one looks almost as nice and can be had for a fraction of the price. ***($400-500)***

## GOLD CERTIFICATES

**1222 $10. Fr.1170a.** 1907. No.D1882597. **AU,** close indeed to Uncirculated. Perfect margins, and bright and clean; even the notoriously dark back is bright. A very attractive example of the scarce Napier-Thompson signature combination. ***($350-450)***

**1223 $10. Fr.1173a.** 1922. No.H3361159. **EF,** with the appearance of a full grade higher. The much scarcer small serial number variety, which in our experience is outnumbered by the large serial number variety by about five to one, though the catalog prices don't yet reflect it. ***($400-500)***

**1224 $20. Fr.1178.** 1882. No.C7751449. **VF.** The face looks a grade better, the back not quite so nice. Good margins, with no pinholes, splits, etc. ***($900-1,200)***

### High Grade "Technicolor" $20

**1225 $20. Fr.1179.** 1905. No.981705. **EF** or so, with great margins and a nice vivid yellow background to the vivid overprint. All too often the yellow background on these fade, making one wonder why they are referred to as "technicolor" notes. Luckily, the background on this note is as bright as any we've seen. ***($2,500-3,000)***

**1226 $20. Fr.1183.** 1906. No.D12947096. **Choice EF,** with a few small pinholes at the top. Good margins on the face; the back is centered quite high. Bright, clean and very crisp, with the look and feel of at least a full grade better. Even the notoriously often toned orange back is brilliant. ***($350-500)***

### $20 Gold "Radar" Note

**1227 $20. Fr.1185.** 1906. **"Radar" Number H8834388. VF.** A bit close at the bottom, but clean for the grade, with no pinholes, splits, etc. While certain series are well known for plentiful "special" serial numbers, they are quite rare on Gold Certifiates. ***($400-600)***

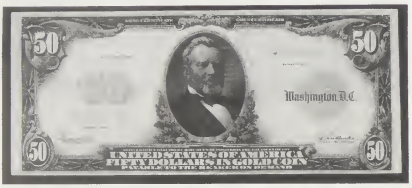
**1228 $20. Fr.1187.** 1922. No.K9177834. **Very Choice Uncirculated.** A beautiful gem if the top right margin were just a bit better. Clean, bright crisp paper, with the orange overprint and back both vivid. A very pretty type note. ***($800-1,200)***

### Rare Gold Certificate Error

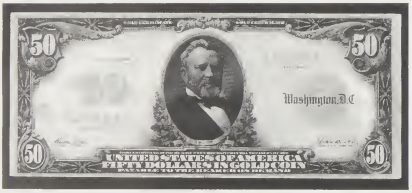
**1229 $20. Fr.1187.** 1922. No.K62117033. **VF** or so, but very tight at the bottom. A minor error, but very scarce on Gold Certificates - the upper right corner was folded when the back was printed, resulting in a gutter fold through the corner. It was straightened out before the face was printed and the note was cut, so everything is otherwise normal. ***($300-400)***

**1230 $20. Fr.1187*.** 1922. No.*444205D. **Fine,** with a few tiny pinholes, and tightly trimmed at the bottom. ***($300-400)***

**1231 $50. Fr.1197.** 1882. No.H659291. **Fine,** but washed to remove some soiling, the seal now very light and indistinct. Good margins, with no pinholes, splits, etc. ***($450-650)***



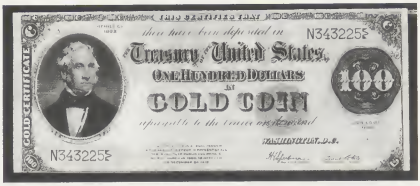
**1232 $50. Fr.1199.** 1913. No.A1321328. **EF,** or very close to it. Bright, clean and crisp, with a few vertical folds. A very pretty type note that looks at least a grade better. ***($900-1,300)***



**1233 $50. Fr.1199.** 1913. No.A1236530. **VF-EF,** and closer to the upper end of the range. Bright, with good margins and a nice overall appearance. ***($800-1,200)***

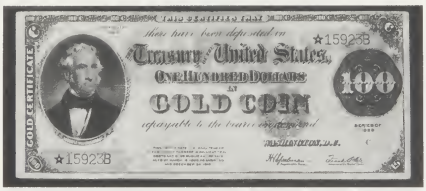
**1234 $100. Fr.1213.** 1882. No.M342164. **Fine,** with a few pinholes and a slightly rough top edge. The face is clean, with bold colors; the back shows its past use more obviously. ***($650-800)***

From Kreisberg & Schulman's November 18, 1968 sale, lot 2816.



**1235 $100. Fr.1215.** 1922. No.N343225. **EF** or so, trimmed very slightly in across the bottom. Bright and clean, with the initial look of an Uncirculated note. ***($800-1,200)***

**High Grade $100 Gold Star**
**Possibly the Third Finest Known**



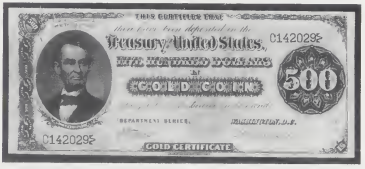
**1236 $100. Fr.1215*.** 1922. No.*15923B. **VF,** evenly worn and problem free. There are now 22 in the census, but most are well circulated. Don't hesitate too long on this one - the last time a higher grade one was available was Amon Carter's EF-AU, auctioned at the beginning of 1987. In fact, **there are only two notes clearly superior to this one -** Carter's EF-AU and an Uncirculated note listed by Doug Murray but never offered publicly. A prime opportunity for the Large Size specialist.

***($2,500-5,000)***

**Do You Have Currency For Sale?**

If you are thinking of selling your currency please remember that we are willing buyers. We will gladly make generous offers on single items, estates, collections, and corporate or institutional archives.

**Extraordinary High Grade**
**$500 Gold Certificate**



**1237 $500. Fr.1216.** 1882. No.C142029. **VF-EF.** The paper is bright and crisp, but the seal is a bit light. The face looks Uncirculated at first glance. Good margins all around, with no pinholes or other defects. **One of the finest known;** half of the two dozen in the census are Fine or below, and only three have been graded higher - and only a half grade higher at that. The consecutive note to this one sold just last month.

***($7,500-10,000)***

From Craig Whitfords June 12, 1992 sale, lot 1343 @ $3.600.

**1238 $10,000. Fr.1225.** 1900. No.M59557. **Choice AU,** just a trifle brown at the right. Though not redeemable, these are always popular, and make attractive show pieces. This one is perforation cancelled "PAYABLE ONLY TO THE TREASURER OF THE U.S. OR A FEDERAL RESERVE BANK" at the left end, and "U.S.T. +9:+8:16" in the center. All known examples are cancelled in some form.

***($750-1,000)***

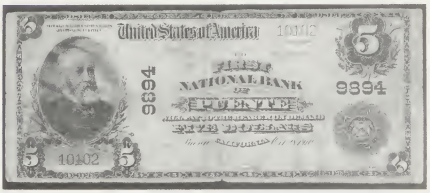
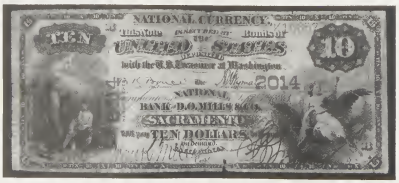
The signatures are light but legible. The second title for this bank, with **just three notes in the census** out of the meager 3,706 sheets issued. We've seen very few public appearances over the last fifty years, and none since Hickman & Oakes sold a substantially inferior $10 in 1984. ***($350-450)***

### California

#### Rare Puente California Note



**1243 Ch.9894.** *Puente.* **First NB. $5.** 1902 PB. **Fr.601.** No.10102/10102. C. **VG,** washed, with a few pinholes. The Kelly census lists seven large notes and eleven small notes known, but our records indicate **the last one publicly available was nearly ten years ago.** Most of the known sales records cluster around several fixed price lists in the early 1980's, virtually all from one dealer. ***($1,250-1,750)***



#### Rare First Charter California

**1244 Ch.2014.** *Sacramento.* **NB of D.O. Mills & Co. $10.** 1875. **Fr.421.** No.K106572/2138. B. The successor to the National Gold Bank. First charter non-gold bank notes are in fact far rarer than the gold bank issues. **VG-F,** with a bit of damage at the top and bottom. A nice unmolested note, with bold dark pen signatures. ***($2,500-3,500)***

**1245 Ch.P5105.** *San Francisco.* **Wells Fargo Nevada NB. $10.** 1882 DB. **Fr.545.** No.A585007/229702. U. **VF-EF,** and a particularly pleasing example. Bright and crisp, with excellent signatures and just one small pinhole as its sole problem. ***($375-450)***

Trimmed very slightly in at the top, the other three margins quite broad. **The rarer first title for this bank,** with **just six notes in the census.** A nice early Colorado brown back, with decent signatures. ***($750-1,250)***

**1248 Ch.4172.** *Salida.* **First NB. $10.** 1929 T1. **Fr.1801-1.** No.F001456A. **VF,** and a nice problem-free example. ***($350-450)***

*Lot 1249*

## Florida
## Rare Palatka Note

**1249 Ch.4813.** *Palatka.* **Putnam NB. $10.** 1929 T1. **Fr.1801-1.** No.D000935A. **F-VF,** with even wear and no problems. Just six large and four small notes in Kelly's census. Our extensive list of nearly a quarter million sales records lists just seven appearances for this bank, five of them from a string of Lyn Knight fixed price lists in the late 1970's. The only recent sales record was for Lyn's sale of a badly washed, torn and stained large note sold a year ago. ***($500-1,000)***

**1250 Ch.13383.** *Winter Haven.* **American NB. $10.** 1929 T1. **Fr.1801-1.** No.A000756A. **About Fine,** with a small stain in the bottom margin. Scarce, with just eleven notes in the census, and few public appearances. ***($500-750)***

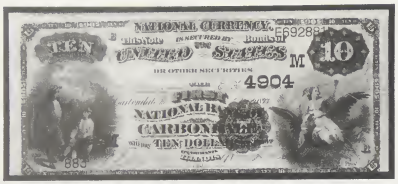
A scarce bank that issued third charter notes only, with just **seven notes known.** The only bank not only in this small town, but in all of Jerome county, liquidated in 1928. ***($1,000-1,250)***

## Illinois

**1252 Ch.7145.** *Aledo.* **First NB. $10.** 1902 PB. **Fr.624.** No.5708/5708. F. **VG-F,** with a small blue stain by the left charter number. A rare bank that issued only third charter notes and has only eight notes known. Our extensive records show only five sold in the last half century, and three of those sales were for the same note. ***($250-300)***



**1253 Ch.M4904.** *Carbondale.* **First NB. $20.** 1882 DB. **Fr.540.** No.E692881/883. E. **VF,** with colorful signatures. An attractive note, trimmed slightly in at the bottom, but the other three margins are quite broad. A **rare** bank that issued second and third charter notes only before being liquidated in 1924. **Just six notes are listed in the Kelly census.**
***($350-400)***

**1254 Ch.713.** *Chicago.* **Commercial NB. $1.** Orig. Series. **Fr.380.** No.205694/4208. B. **VG,** with bold pen signatures. A scarce bank liquidated in 1910, with 14 notes in the census today. ***($350-450)***

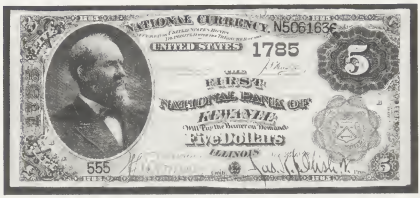
***($200-300)***

**1256 Ch.11596.** *East St. Louis.* **First NB. $100.** 1929 T1. **Fr.1804-1.** No.C000236A. **EF,** with a bit of black ink at the lower left corner, not touching the engraving. A scarce bank whose entire issuance consisted of $50 and $100 notes. ***($225-325)***

**1257 Ch.M4735.** *Elgin.* **Elgin NB. $10.** 1902 DB. **Fr.620.** No.X719965A/2500. C. **Fine** or so. Tight at the top right, but undamaged and original, with bold pen signatures. The scarcest of Elgin's four banks, Kelly lists just ten notes on the bank, evenly split between large and small. ***($275-325)***

**1258 Ch.M7948.** *Enfield.* **First NB. $20.** 1902 PB. **Fr.651.** No.R631941B/2240. B. **VF,** the pale blue signatures nearly gone. Decent margins, with no problems. Just **$1,770 in large notes outstanding.** Kelly lists a dozen notes on the bank, evenly split between large and small, and we show a total of just five public sales over the last fifty years.
***($250-350)***

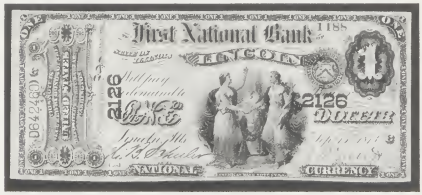
**Attractive Kewanee Brown Back**



**1259 Ch.1785.** *Kewanee.* **First NB. $5.** 1882 BB. **Fr.471.** No.N506163/555. B. **VF-EF,** and an exceptionally pleasing note. Great margins, with bold dark pen signatures and not a single defect. ***($450-600)***

An interesting note which came (with two other notes in this sale) from a prominent midwest banking family. This note and the $5 notes on Lenox Iowa and Cozad Nebraska were all signed by members of the same family.

**Superb $1 From the Grinnell Collection**



**1260 Ch.2126.** *Lincoln.* **First NB. $1.** Orig. Series. **Fr.382.** No.D642460/1188. C. **Gem Uncirculated,** though centered just a bit to the right. A superb type note from a cut sheet in the Grinnell collection. Bright paper and ink, with bold dark signatures.
***($1,250-1,750)***

**1261 Ch.4313.** *Monmouth.* **Peoples NB. $50.** 1929 T1. **Fr.1803-1.** No.E000143A. **Fine.** Clean, with decent margins, but there is a short split in the left margin and the note has been wet, with slight bleeding of the seal to the back. A **very rare** bank, with **just three notes reported by Kelly,** all small size. A total of only 1,074 small notes were issued, all $50 and $100 denominations. ***($300-400)***

**1262 Ch.M4826.** *Monticello.* **First NB. $20.** 1882 BB. **Fr.499.** No.E693065E/2412. A. **VF** or so, with scattered small pinholes. Good margins and strong signatures on a nice original note. ***($350-450)***

**1263 Ch.5782.** *Mount Carmel.* **American NB. $20.** 1902 PB. **Fr.659.** No.9058/9058. A. **VF-EF.** The first title for the bank, with six large and seven small notes known. ***($300-400)***

**1264 Ch.7350.** *Mount Olive.* **First NB. $5.** 1902 PB. **Fr.598.** No.X660121H/4785. H. **VG.** Evenly worn, but with no splits. The red signatures are nearly faded out. Kelly lists **just four large notes known,** with $4,395 in large notes outstanding. ***($200-300)***

**1265 Ch.3839.** *Mount Pulaski.* **First NB. $5.** 1902 PB. **Fr.600.** No.11759/11759. G. **CU.** ***($550-650)***

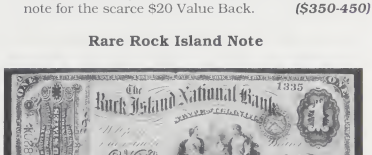
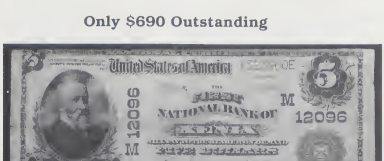
### Rare Rock Island Note



**1267 Ch.1889.** *Rock Island.* **Rock Island NB. $1.** Orig. Series. **Fr.380.** No.C783820/1335. A. **Fine,** with nice sharp pen signatures and no problems. A **rare** bank that issued only large size notes. Kelly's census of four known is a bit out of date - we've now traced six, five of them graded "Fine," and five of the six are first charter notes. The switch to issuing only $50 and $100 notes in brown backs makes this a tough bank. The only other notes we've seen auctioned are a First Charter $10 and a 1902 Date Back $50. ***($700-900)***

### Only $690 Outstanding



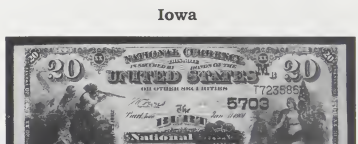
**1268 Ch.M12096.** *Xenia.* **First NB. $5.** 1902 PB. **Fr.608.** No.Y323960E/1354. C. **VG.** One of **only five large notes known** today of the minuscule $690 outstanding balance. For large and small notes combined we've tracked only five public sales, and the only one in the last five years was for a small size note. ***($450-550)***

In demand by alphabet collectors of town names "A" through "Z" and far scarcer than Xenia Ohio, which had four issuing banks to choose from.

### Indiana

**1269 Ch.M7725.** *Fort Wayne.* **German-American NB. $5.** 1902 PB. **Fr.598.** No.T399323B/18628. K. **VF.** The first and rarest of the three titles used by this bank, with **only three notes known.** ***($450-550)***

### Iowa

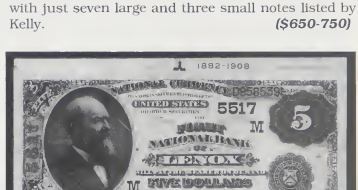


**1270 Ch.M5703.** *Burt.* **Burt NB. $20.** 1882 VB. **Fr.581.** No.T723586/2588. B. **VF.** Just four notes in the census. A tough bank due to its early closure in September 1927 and it small issuance of just 2,526 sheets of third charter notes. ***($750-1,000)***

**1271 Ch.M1810.** *Charles City.* **First NB. $5.** 1882 BB. **Fr.471.** No.K429870K/1935. A. **VF-EF.** ***($350-450)***

**1272 Ch.M3736.** *Clinton.* **Merchants NB. $5.** 1902 PB. **Fr.600.** No.Z876672B/9286. F. **Choice Uncirculated** but for a short but sharp corner fold. Bright, with good margins and bold pen signatures. ***($325-375)***

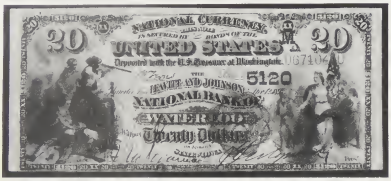
**1273 Ch.M5803.** *Essex.* **Commercial NB. $20.** 1882 BB. **Fr.504.** No.N765832N/2259. A. **Fine.** Very scarce, with just seven large and three small notes listed by Kelly. ***($650-750)***



**1274 Ch.M5517.** *Lenox.* **First NB. $5.** 1882 DB. **Fr.537.** No.D958539/2. A. **EF,** with a wide top margin. Bright and clean, with bold signatures. Just $5,235 in large notes outstanding at the close of business. ***($450-550)***

An interesting note which came (with two other notes in this sale) from a prominent midwest banking family. This note and the $5 notes on Kewanee, Illinois and Cozad Nebraska were all signed by members of the same family.

**1275 Ch.M4155.** *Primghar.* **First NB. $20.** 1902 PB. **Fr.652.** No.Y233312E/2570. A. **VF.** Only 1,484 sheets of brown back notes and 5,406 sheets of 1902 notes were issued, with only $2,690 left outstanding. Out of that small balance, Kelly lists just seven large notes in the census. ***($350-400)***



**1276 Ch.M5120.** *Waterloo.* **Leavitt and Johnson NB. $20.** 1882 BB. **Fr.504.** No.U671044U/10496. A. **VF-EF.** Tight at the bottom, but the other three margins are broad. Bright, with bold pen signatures. The first and slightly more common title for this popular private name bank. ***($600-700)***

## Kansas

**1277 Ch.W11056.** *Baxter Springs.* **American NB. $20.** 1902 PB. **Fr.658.** No.X832535E/3713. A. **Fine,** with very faint signatures. Kelly lists **just six large notes known,** and only $1,910 in large notes outstanding. The Lyons $10 was just a hair better than this, at $750. ***($400-500)***

**1278 Ch.8796.** *Fort Leavenworth.* **Army NB. $10.** 1929 T1. **Fr.1801-1.** No.E000354A. **Very Fine** or a bit better. Only eight single notes and an uncut sheet in the census. ***($300-400)***

**1279 Ch.3216.** *Girard.* **First NB. $20.** 1902 PB. **Fr.650.** No.4066/4066. B. **Fine** or so, evenly worn and undamaged. Slightly superior to the Lyons $10, though the signatures are not as strong. Kelly lists **just five large notes known,** and $1,605 in large size outstanding. ***($450-550)***

### Very Rare Harper Note

**1280 Ch.8307.** *Harper.* **First NB. $20.** 1929 T2. **Fr.1802-2.** No.A000165. **VF-EF.** Kelly reports **just one large and two small notes known** with the second title. This one is slightly superior to Lyon's Type 1 $10, which Lyn sold before the fixed price list of his collection was printed. ***($250-350)***

**1281 Ch.3794.** *Howard.* **Howard NB. $5.** 1929 T1. **Fr.1800-1.** No.D001645A. **EF.** A clean, problem-free note with excellent margins. ***($400-500)***

**1282 Ch.3794.** *Howard.* **Howard NB. $50.** 1929 T1. **Fr.1803-1.** No.C000059A. **F-VF,** with a small trace of a bank stamp at the right side of the portrait. Scarcer in small size than large size, with just eight notes known. Understandable, as less than 2,000 sheets of small size were issued, all Type 1 $5, $50 and $100 notes. ***($350-450)***

**1283 Ch.W7222.** *Lyndon.* **First NB. $10.** 1902 PB. **Fr.624.** No.A224632H/3580. E. **Crisp Uncirculated.** Very tight at the bottom right, but with nice dark pen signatures. Kelly lists 18 notes known for the bank, evenly split between large and small. The outstanding large size balance is a low $1,670. Just a few numbers away from the C. Dale Lyons note (also signed by Ada and C.T. Niehart), priced at $750 by Lyn Knight a few years ago. ***($400-500)***

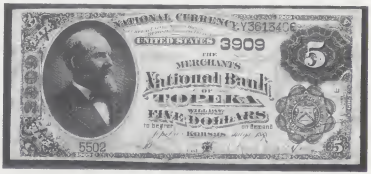
**Number 1 Parsons, Kansas**
**Finest of Three Known**

**1284 Ch.1951.** *Parsons.* **First NB. $1.** 1875. **Fr.383.** No.A53857, **Bank Number 1.** B. **Very Fine,** with no problems. A particularly attractive note, not only a **Number 1** note, but on paper with the blue anti-counterfeiting color left of center. The cashier's signature is light, the president's very faint. $1 notes on Kansas are deceptively hard to find in decent condition, and even the rather plentiful Emporia notes are mostly lower grade. ***($2,500-3,500)***

A small town in the southeastern corner of the state, named for Judge Levi Parsons, one of the builders of the Missouri, Kansas, and Texas Railroad. There are two other Number 1 notes known on this bank, both Original Series aces. Lyon's note was described by Lyn Knight as Fine, with spots and "ink rot." The other, sold by Hickman & Oakes in 1982, is brittle, with badly chipped edges. For the entire rest of the state, one other Number 1 ace is known. This pretty note is superior to all three, and should bring a runaway price.

**1285 Ch.W7815.** *Stockton.* **Stockton NB. $10.** 1902 PB. **Fr.624.** No.K898177E/3555. B. **Fine** or a bit better, but with traces of washing on the back. The cashier's signature is strong, the president's gone. Superior to the $5 in the Lyons collection. Kelly lists **just four large notes known,** with $2,720 in large size outstanding. ***($500-600)***

**1286 Ch.2646.** *Topeka.* **First NB. $5.** 1875. **Fr.405.** No.Z632225/6537. F. **VG** or a bit better. Bold dark signatures, with no pinholes, splits, etc. Very tight across the top, but an attractive note nonetheless. ***($425-500)***



**1287 Ch.3909.** *Topeka.* **Merchants NB. $5.** 1882 BB. **Fr.470.** No.Y361340/5502. B. **VF.** A trifle soiled at the right, but with good margins and great signatures. ***($500-600)***

**1288 Ch.W7970.** *White City.* **First NB. $5.** 1902 PB. **Fr.599.** No.U133011B/1960. A. **VF,** or a bit better. The assistant cashier's signature is bold, the president's gone. Kelly lists just five large and seven small notes, and only $1,425 in large notes remains outstanding. ***($350-450)***

## Kentucky

**1289 Ch.1847.** *Covington.* **German NB. $1.** Orig. Series. **Fr.382.** No.C626794/719. B. Looks **VG-F,** with good pen signatures, but has numerous pinholes and splitting in the folds. The first title for the bank, which was renamed the Liberty NB at the beginning of 1918, while anti-German feeling was running high. ***($650-750)***

Far from an isolated incident, from April 1917 through July 1918 two dozen note-issuing National Banks legally changed their names to remove "German" from their titles.

**1290 Ch.1847.** *Covington.* **German NB. $2.** 1875. **Fr.391.** No.A602025/341. A. **VG** in terms of wear, but with a large number of tiny pinholes in the center of the note, and a few edge repairs, and the upper left quarter inch of the note has been replaced. Looks better than it sounds, with good color and strong signatures. ***($1,750-2,750)***

**1291 Ch.1847.** *Covington.* **Liberty NB. $10.** 1902 PB. **Fr.632.** No.43444/43444. B. **Fine.** The signatures are faint but legible. The second and scarcer of the two titles, with just eight notes known. ***($250-325)***

**1292 Ch.2560.** *Cynthiana.* **Farmers NB. $10.** 1902 PB. **Fr.634.** No.X198522H/3090. A. **VF.** A decent problem-free note, with good margins and signatures. ***($450-550)***

**1293 Ch.1900.** *Cynthiana.* **NB of Cynthiana. $10.** 1929 T1. **Fr.1801-1.** No.C001150A. **VF-EF.** Tight at the upper right, but clean, bright and crisp. ***($225-275)***

**1294 Ch.11548.** *Dawson Springs.* **First NB. $10.** 1902 PB. **Fr.632.** No.2436/2436. B. **VG** or a bit better, with slight edge weakness. Very rare, with **just three large notes listed by Kelly,** and $1,240 in large notes outstanding. ***($750-900)***

Only 3,329 sheets of large notes were issued, all $10 and $20 plain backs, more than 99% of it redeemed by the time the bank closed 1934.

**1295 Ch.11548.** *Dawson Springs.* **First NB. $20.** 1929 T1. **Fr.1802-1.** No.D000276A. **EF,** or close to it. Clean, with good margins. Like the large size issuance (see above), the small size issuance was very small. **The census now shows just six small notes.** ***($525-625)***

**1296 Ch.6028.** *Elizabethtown.* **First-Hardin NB. $10.** 1902 PB. **Fr.634.** No.U551928H/6786. A. **F-VF,** with bold purple stamped signatures. The second title for the bank. ***($300-400)***

**1297 Ch.11947.** *Falmouth.* **First NB. $5.** 1929 T2. **Fr.1800-2.** No.A002612. **Fine,** with signs of a light washing. Not often available - we can find only two auctions and three fixed price offerings spread over the last fifty years, an average of only one appearance every decade. ***($275-350)***

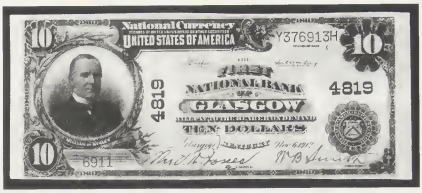
**1298 Ch.2927.** *Georgetown.* **First NB. $10.** 1929 T1. **Fr.1801-1.** No.D001169A. **VF-EF.** The rarer of the two banks in Georgetown, with just five large and eight small notes in the census. A few have traded privately, but only two have been auctioned since the Grinnell days. ***($325-400)***

**1299 Ch.8579.** *Georgetown.* **Georgetown NB. $20.** 1902 PB. **Fr.652.** No.V146606H/9304. B. **G-VG,** with a short split at the right. Heavier than average soiling makes the signatures hard to read. Kelly lists **just seven large notes known** of the $3,520 outstanding. ***($500-600)***

**An Unusual Offering of**
**Five out of Six Glasgow, Kentucky Banks**

**1300 Ch.8439.** *Glasgow.* **Citizens NB. $10.** 1929 T1. **Fr.1801-1.** No.C000986A. **F-VF,** with good margins. Kelly lists just four large and six small notes in his census. ***($325-400)***

**1301 Ch.9722.** *Glasgow.* **Farmers NB. $10.** 1929 T1. **Fr.1801-1.** No.F000423A. **Fine.** Just slightly more worn than the last, with the same rarity - four large and **six small notes known.** ***($300-350)***



**1302 Ch.4819.** *Glasgow.* **First NB. $10.** 1902 PB. **Fr.628.** No.Y376913H/6911. C. **VF/EF.** Kelly lists just **four large and three small notes known** for this scarce Barren county bank. A clean attractive note signed by Mrs. V.H. Jones, assistant cashier, and W.B. Smith, president. ***($700-900)***

From Lyn Knight's Memphis sale four years ago, where it realized $605.

**1303 Ch.13651.** *Glasgow.* **New Farmers NB. $10.** 1929 T2. **Fr.1801-2.** No.A000110. **EF** or so, with no problems. A rare bank, with just five notes listed by Kelly. Not surprising, as there were only 5,138 small notes issued. Our extensive sales records show just two prior appearances - one auctioned by Heritage last year, and one in an advertisement five years ago. ***($400-500)***

**1304 Ch.S5486.** *Glasgow.* **Trigg NB. $10.** 1902 PB. **Fr.633.** No.H70188H/3836. C. **VG-F,** with faint signatures. Very scarce. ***($450-550)***

By number known this is the most "common" of the Glasgow banks, with twelve large and five small notes known, yet we've seen just one other note offered publicly in the last decade, a $5 value back in 1994.

**1305 Ch.S5486.** *Glasgow.* **Trigg NB. $20.** 1902 PB. **Fr.659.** No.V883012E/2740. A. **Fine,** with a few tiny pinholes. Just a slight bit better than the last, and a trifle brighter. ***($525-600)***

With the total small size issuance for this bank an incredibly low 1,338 notes (all Type 1 $50 and $100 notes), it is a miracle any have survived.

**1320 Ch.S1599.** *Paducah.* **First NB. $50.** 1902 DB. **Fr.668.** No.A359787/963. B. **Fine,** but with a quarter inch stain on the back and numerous tiny scattered pinholes. Very scarce, with just **six large and three small notes known.** ***($650-850)***

**1323 Ch.S7215.** *Pineville.* **Bell NB. $10.** 1902 PB. **Fr.624.** No.M183907E/6585. E. **VG-F** from the point of wear, but more soiled than usual, particularly on the back. Good signatures. ***($300-400)***

**1324 Ch.5257.** *Princeton.* **Farmers NB. $10.** 1902 PB. **Fr.633.** No.6815/6815. A. **VG-F,** trimmed slightly in at the bottom left. The light green cashier's signature is blurred, but the president's signature is strong. ***($300-400)***

**1325 Ch.3064.** *Princeton.* **First NB. $10.** 1902 PB. **Fr.624.** No.V426585H/30073. F. **F-VF.** An attractive note with large bold vanity signatures. Scarce, with just five large and eight small notes reported by Kelly. ***($350-450)***

**1326 Ch.S5881.** *Somerset.* **Farmers NB. $20.** 1902 PB. **Fr.659.** No.M82282E/1580. A. **VG,** but heavily soiled, particularly on the face. Kelly's listing of four large notes known should be raised a bit, but it is still quite a scarce bank. ***($400-500)***

**1327 Ch.3832.** *Somerset.* **First NB. $20.** 1902 PB. **Fr.652.** No.T370886H/14114. B. **Fine.** There is some soiling, and the signatures are faint, but the note is undamaged. Kelly lists just **five large notes known.** ***($600-750)***

### Louisiana

**1328 Ch.S5023.** *Lafayette.* **First NB. $5.** 1882 DB. **Fr.535.** No.N754751/6814. E. **Fine,** with a couple of pinholes, one rather large. Good margins and signatures. A scarce early Louisiana note, with just eight large notes known. ***($750-850)***

**1329 Ch.3600.** *Shreveport.* **Commercial NB. $5.** 1902 PB. **Fr.600.** No.178354/178354. I. **Choice Uncirculated.** Tight at the top, with a trace of teller handling, but bright and crisp, with attractive blue signatures. ***($400-500)***

### Maine

**1330 Ch.1523.** *North Berwick.* **North Berwick NB. $10.** 1902 PB. **Fr.625.** No.6905/6905. D. **Fine.** The cashier's signature is gone, but the president's is still legible. Kelly lists just seven large notes known, and we've traced only two auction appearances and a few fixed prices lists for the bank, large and small combined. ***($200-300)***

**1331 Ch.1451.** *Portland.* **National Traders Bank. $5.** 1882 BB. **Fr.469.** No.K617174/4173. A. **F-VF,** with bold pen signatures. A "large only" bank, with ten notes in the Kelly census. ***($400-500)***

**1332 Ch.N4128.** *Portland.* **Portland NB. $10.** 1882 BB. **Fr.484.** No.N597387N/24405. E. **VF** or so. Evenly worn, with decent signatures and no pinholes or other problems. ***($350-450)***

## Maryland

**1333 Ch.5984.** *Baltimore.* **Old Town NB. $5.** 1902 PB. **Fr.608.** No.X685828H/17217. B. **Gem Uncirculated.** A superb note in every respect, even slightly superior to the gem sold in the St. Louis sale a few months ago. ***($400-500)***

**1334 Ch.4799.** *Canton.* **Canton NB. $50.** 1902 PB. **Fr.671.** No.B70332/2398. A. **VF,** with a couple of tiny pinholes, and trimmed slightly in at the top. Kelly lists **just six large and two small notes known.** Our total of 32 public appearances is a bit misleading in this case, as nearly all are for two long strings of price lists by Curt Iverson and Art Leister more than a decade ago. That note evidently finally sold, as there have been no public offerings at all in the last seven years. ***($800-1,200)***

Another bank that issued only low denominations early, and just $50 and $100 notes in its 1902 issues.

## Number 1 Towson Maryland

**1335 Ch.3588.** *Towson.* **Towson NB. $10.** 1929 T1. **Fr.1801-1. No.C000001A. VF.** Some soiling and spots show here and there on this "pocket piece," but the note is still solid. ***($200-300)***

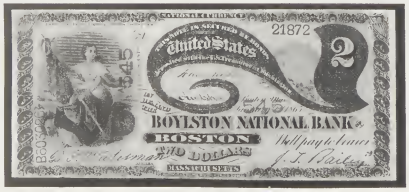
### Rare First Charter $100

**1336 Ch.514.** *Boston.* **Blackstone NB. $100.** 1875. **Fr.456.** No.A275373/3432. A. **Fine** overall, with a few pinholes. Has been trimmed to the design all around - the famous "New England" trim - a practice in the early days of forcing the notes to fit cash tills that were designed originally for smaller obsolete notes. The First Charter $50 and $100 notes, besides being among the most attractive notes ever issued, are classic rarities in the type note field. Only about 70 are known of each denomination, a situation exacerbated by the fact that type note collectors must compete for them with national bank note collectors chasing them for their city, state or bank collections. ***($6,000-7,500)***

From the December 7, 1983 Hickman & Oakes sale, lot 137.



**1337 Ch.545.** *Boston.* **Boylston NB. $2.** 1875. **Fr.390.** No.B603026/21872. A. **F-VF,** but washed. The overprint is light, but the signatures are still strong. Solid, with no pinholes or other defects. ***($750-1,250)***

### Superb Number 1 Red Seal

**1338 Ch.545.** *Boston.* **Boylston NB. $5.** 1902 RS. **Fr.587.** No.H963444. **Bank Number 1.** A. **Choice AU** due to a faint corner fold, otherwise Gem Uncirculated. A bright, beautifully centered note, with superb signatures. One of **only ten Number 1 red seals known for the entire state,** including all denominations. Few of them can possibly be as attractive as this lovely note. ***($1,500-2,000)***

From Frank Trask, to C. Dale Lyon's famous red seal collection, to Lyn Knight's 1996 Memphis sale.

**1339 Ch.9426.** *Foxborough.* **Foxboro NB. $20.** 1929 T1. **Fr.1802-1.** No.D000202A. **Fine** or better, with good margins and no problems. Kelly lists just four large and **six small notes known.** ***($350-450)***

An interesting note - towns occasionally changed their names, but we cannot recall seeing another instance of the town name being spelled two different ways on one note.

**1340 Ch.589.** *Haverhill.* **Essex NB. $5.** 1929 T1. **Fr.1800-1.** No.C008210A. **EF.** Clean and crisp, though centered a bit high. **Very scarce,** with the eight notes known evenly split between large and small. ***($300-375)***

### Number 1 Newton $20

**1341 Ch.13252.** *Newton.* **Newton NB. $20.** 1929 T1. **Fr.1802-1. No.D000001A. VF,** lightly washed. Good margins, with no pinholes, etc. ***($450-550)***

**1342 Ch.N2108.** *Watertown.* **Union Market NB. $10.** 1882 BB. **Fr.485.** No.K948242/4462. C. Technically a **VF** or a bit better, but in reality a simply stunning note, with the appearance of a grade or two higher. Extraordinary margins, good color and bold dark signatures combine to make this the most attractive "VF" brown back we've ever seen. Also a very scarce bank - Kelly lists **just six large notes known** of the $5,415 outstanding. ***($300-450)***

## Michigan

**1343 Ch.2853.** *Bay City.* **First NB. $10.** 1929 T1. **Fr.1801-1.** No.B007572A. **Choice Uncirculated.** Bright and clean, with strong embossing. The second title for this bank, with no notes known for the first title. ***($200-275)***

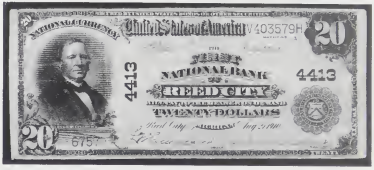
**1344 Ch.2853.** *Bay City.* **First NB. $20.** 1929 T1. **Fr.1802-1.** No.B001973A. **Choice Uncirculated,** very close to gem. *(np)* ***($250-325)***

**1345 Ch.M5668.** *Ishpeming.* **Miners NB. $10.** 1902 PB. **Fr.633.** No.U871690E/1268. A. **Fine.** Tight across the bottom, with scattered pinholes at the right, but undamaged, with decent signatures. ***($250-325)***

**1346 Ch.13513.** *Manistique.* **First NB. $10.** 1929 T2. **Fr.1801-2.** No.A000247. **VF,** but more soiled than usual, with a bit of aging. Small size only for this bank, with **just five notes known.** We've traced a total of just two prior auction appearances (in 1974 and 1992), plus a string of fixed price offerings in the 1980's. ***($600-800)***

**1347 Ch.12027.** *Marquette.* **Union NB. $5.** 1902 PB. **Fr.608.** No.10613/10613. D. **VF.** A clean, attractive note, with bold purple signatures. Kelly lists just nine large notes known. ***($300-375)***

**1348 Ch.9000.** *Munising.* **First NB of Alger County. $20.** 1929 T2. **Fr.1802-2.** No.A000193. **VF,** with moderate soiling on the face. **Very scarce,** with just nine large and six small notes reported by Kelly. ***($450-550)***



**1349 Ch.4413.** *Reed City.* **First NB. $20.** 1902 PB. **Fr.653.** No.V403579H/6757. A. **Fine,** with a few pinholes but good pen signatures. Rare, with just three large and eight small notes listed by Kelly. The outstanding large size balance is a low $5,430. ***($750-1,000)***

### Partial Pack of Sault Ste. Marie $20

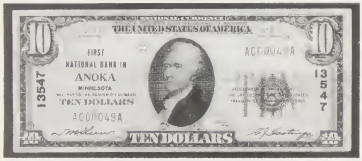
**1350 Ch.3547.** *Sault Ste. Marie.* **First NB. $20.** 1929 T1. **Fr.1802-1. PARTIAL PACK of 25 consecutive notes. Choice to Gem Uncirculated.** This will alter the rarity rating a bit. In his last edition, Kelly listed just fifteen small size notes. Very rarely are packs of Nationals offered, particularly this nice. All are fully bright, clean, crisp and original, and except for a corner tip bump or fold here and there, are as nice as the day they left the press. In a $500 band from the bank, dated April 1932.

***($5,500-6,500)***

**1351 Ch.600.** *Three Rivers.* **First NB. $10.** 1902 PB. **Fr.624.** No.8578/8578. D. **VG+,** with bold pen signatures. When C.A.A. auctioned this note for $525 nearly a decade ago it was the only large note known; since then a half dozen more have surfaced, all well circulated. ***($600-750)***

## Minnesota

### First Public Offering



**1352 Ch.13547.** *Anoka.* **First NB. $10.** 1929 T1. **Fr.1801-1.** No.A000049A. **F-VF,** with a small spot in the top back margin. **Very rare,** with the Kelly census listing **only three notes known** of the meager 4,860 small notes issued. Our extensive list of a quarter million national bank note sales has not a single listing for this bank in over fifty years, not even in the extensive Hickman sale of October 1990 or the Christie's sale of June 1998. ***($750-1,000)***

### Unusually Attractive Red Seal

**1353 Ch.M710.** *Minneapolis.* **First NB. $10.** 1902 RS. **Fr.613.** No.D683831/3077. A. **EF** or so, but with an exceptionally pleasing appearance. Clean and bright with good color, great margins, and bold dark pen signatures. The first of four titles for this bank, and the only one to issue red seals. ***($400-500)***

### Stillwater Lazy $2

### The Second Note Known on the Bank

**1354 Ch.1514.** *Stillwater.* **First NB. $2.** Orig. Series. **Fr.389.** No.C848537/235. A. **Fine,** tight at the bottom, with a few tiny pinholes. An entirely natural, unmolested note, with bold signatures. A **very rare** bank that issued only first charter notes, and had just $1,847 outstanding in 1910. **Kelly lists just one note known** - a repaired Fine $1, sold late in 1973 by Lyn Knight and now in a prominent collection of Minnesota notes. This slightly better lazy deuce is the second note known on the bank, and the first ever to reach the auction floor. A truly extraordinary note, destined for one of the finest collections. ***($5,000-7,500)***

## Mississippi

**1355 Ch.S5176.** *Hattiesburg.* **First-NB of Commerce. $20.** 1882 DB. **Fr.556.** No.R934482/10144. A. **Fine+** from the standpoint of wear, but with a couple of small (3mm) rust holes in the center. Attractive nonetheless, with broad margins and good color. Kelly lists **just eight notes known** for the second title, which was used only on 1882 Date Back notes. ***($450-550)***

**1356 Ch.11898.** *Laurel.* **Commercial NB & TC. $5.** 1902 PB. **Fr.607.** No.43375/43375. F. **VG-F,** but with heavier soiling than usual. A scarce bank that issued only $5 notes, with eight large and twelve small currently known. ***($350-425)***

### Missouri

**1357 Ch.13162.** *Joplin.* **Conqueror First NB. $5.** 1902 PB. **Fr.610.** 1902 PB. No.2322/2322. C. **VF-EF.** Trimmed slightly in at the top, with very faint signatures. Reasonably available in small size, **but just five large notes are known.** ***($300-400)***

**1358 Ch.M10039.** *Kansas City.* **Commonwealth NB. $20.** 1902 PB. **Fr.653.** No.H239624E/12432. A. **F-VF.** An evenly worn, damage-free example, with bold signatures. The rarer first title for the bank, with **just two notes known** according to Kelly. ***($450-550)***

### Number 1 Liberty National Bank

**1359 Ch.M10039.** *Kansas City.* **Liberty NB. $10.** 1902 PB. **Fr.627.** 1902 PB. **Fr.627.** No.D104903H. **Bank Number 1.** C. **EF,** and a very appealing note. Bright, clean and crisp, with bold signatures and no problems. Not as rare as the first title (seven known for this title), but the Number 1 and fresh originality make this a premium note. ***($500-600)***

**1360 Ch.M3456.** *Kansas City.* **First NB. $50.** 1902 DB. **Fr.668.** No.A677901/4263. C. **F-VF,** but trimmed slightly in at the top, and somewhat soiled on the back. Good signatures, with no pinholes, splits, etc. ***($400-600)***

**Please note that a 10% buyer's premium will be added to each lot purchased.**

### Very Rare Midwest NB of Kansas City

**1361 Ch.M10892.** *Kansas City.* **Midwest NB. $5.** 1902 PB. **Fr.606.** No.B906329D/1833. B. **VG.** A bit dirty, but with strong signatures and no defects. A **rare** bank that used two titles in its short four year existence. **Just three notes are known** on the first title, and the second title is still unreported. ***($500-600)***

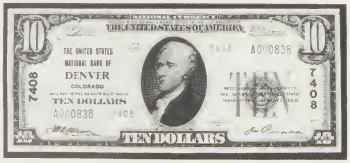
**1362 Ch.9382.** *Nevada.* **Thornton NB. $10.** 1902 PB. **Fr.626.** No.15706/15706. A. **VF,** and a pleasing problem-free example. Bright, with good color and margins, and bold signatures. Just nine large notes in the Kelly census. ***($300-400)***

### Extremely Rare Palmyra Missouri Note

**1363 Ch.1735.** *Palmyra.* **First NB. $1.** Orig. Series. **Fr.382.** No.C170955/2076. B. **VG-F.** A bit aged, but the margins are good and the signatures outstanding. **Very rare** - Kelly lists **just two notes known;** this is a third. All are $1 notes, in very similar condition; the other two were sold by Lyn Knight in 1991 and 1992 (the only two prior public appearances of notes from this bank). A short-lived bank, liquidated in 1876 after only six years of operation; as of 1910 its outstanding balance was down to a minuscule $915. A true prize for the Missouri specialist. ***($2,500-3,500)***

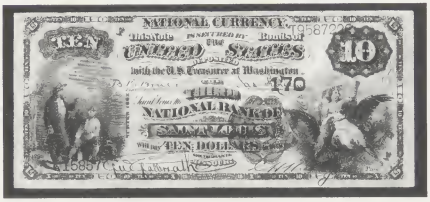
**Uncut Peirce City Sheet**

**1364 Ch.4225.** *Peirce City.* **First NB. $5.** 1929 T2. **Fr.1800-2. UNCUT SHEET,** Nos.A002443-2448. The top and bottom notes show a fold or two, but the rest are **Choice Uncirculated.** One of a half dozen sheets known on this bank, all with the second title. ***($750-1,000)***



**1365 Ch.11402.** *Perryville.* **First NB. $10.** 1929 T2. **Fr.1801-2.** No.A000108. **VF-EF.** A rare bank that issued only Type 2 $5 and $10 notes (just 3,978 pieces in total), and boasts an outstanding balance of $20,000 - quite low for small size notes. Kelly lists **just six notes known,** and we've recorded just five public appearances over the last half century. ***($550-700)***

**1366 Ch.6272.** *Saint Joseph.* **Tootle-Lacy NB. $5.** 1902 PB. **Fr.606.** No.U698490H/36379. B. **VG-F.** A bit more soiled than normal, but the signatures of Lacy and Tootle are strong. Popular, with just eight notes known for this, the second title. ***($300-400)***



**1367 Ch.170.** *Saint Louis.* **Third NB. $10.** 1882 BB. **Fr.479.** No.T958722/15857. F. **VF-EF,** and an exceptionally nice note for the grade. Clean and bright with great margins and bold dark pen signatures. ***($350-450)***

**Second Note Known**

**1368 Ch.M9315.** *Springfield.* **Merchants NB. $10.** 1902 DB. **Fr.618.** No.M747277/3222. C. **VG,** but with scattered pinholes and tiny (3mm) internal splits. Trimmed slightly in at the top, with moderate soiling and faint signatures. A well used note on a **very rare** bank, liquidated in 1913 after only four years of operation. **Kelly lists just one note known** - no doubt the $20 sold in 1990 for $550. This is only the second auction appearance of a note from this bank, as all the notable "name" collections had none to offer. ***($1,750-2,500)***

## Montana

**1369 Ch.4803.** *Kalispell.* **Conrad NB. $20.** 1929 T1. **Fr.1802-1.** No.D001060A. **Fine+.** A popular "first name" bank from a scarcer state. ***($125-175)***

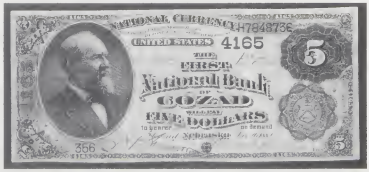
**1370 Ch.7172.** *Plains.* **First NB. $10.** 1929 T2. **Fr.1801-2.** No.A000476. **Choice Uncirculated,** virtually gem. Very scarce, with just 2 sheets and five singles listed by Kelly - understandable, as the total small size issuance came to only 5,532 notes. The only other note offered in the last five years was a low grade large size $10. ***($1,500-2,000)***

**1372 Ch.8172.** *Gresham.* **First NB. $10.** 1902 DB. **Fr.617.** No.K252291/45. E. **VG** overall, but a bit more soiled than usual, with a few pinholes. Kelly lists **just three large notes known** of the $3,950 outstanding, and the only other note offered in recent years was a small size $20. ***($300-400)***

**1373 Ch.10242.** *Hemingford.* **First NB. $20.** 1902 PB. **Fr.654.** No.M268600E/688. A. **Choice Uncirculated,** trimmed just slightly in at the bottom. Bright and crisp, with bold purple signatures. A rare bank that issued large size only, and had just $5,950 outstanding as of the close of business in 1923. Kelly lists **just five notes known,** and our sales records show just four appearances. The two recent sales were for circulated $20 notes.
***($700-900)***

## Nebraska

**Unique Cozad, Nebraska Discovery Note**



**1371 Ch.4165.** *Cozad.* **First NB. $5.** 1881 BB. **Fr.471.** No.H784873/356. C. Technically **VF+** with a few pinholes, but looks better, with excellent margins and bold pen signatures. An important Nebraska discovery, listed as **"Unreported"** in Kelly, and there isn't a single public offering listed in our quarter-million record database. As early as 1910 only $10,000 remained outstanding, and World War I and depression-era redemptions no doubt whittled that down to practically nothing. Since not a single other note has surfaced in the eight decades since the bank was liquidated in 1915, we have to assume that this will remain extremely rare at the very least, and in all likelihood, unique.
***($7,500-12,500)***

An interesting note which came (with two other notes in this sale) from a prominent midwest banking family. This note and the $5 notes on Kewanee, Illinois and Lenox Iowa were all signed by members of the same family.

The cashier's signature is faint, the president's signature gone. A total of 2,739 large size sheets were issued, and Kelly lists **just five large notes known** of a minuscule **$810 large size outstanding.** We've noted just five prior auction appearances, and the last two were both common small size notes. ***($550-700)***

**1375 Ch.1855.** *Nebraska City.* **Nebraska City NB. $10.** 1882 BB. **Fr.485.** No.H337569/435. B. Appears **F-VF,** but has edge damage at the top and bottom and an internal split. Unmolested, with decent margins and good pen signatures.

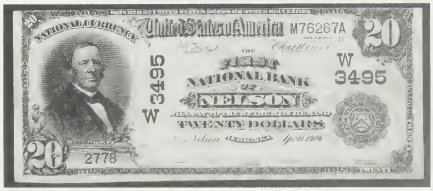
**Extremely Rare Nelson, Nebraska Note**

**First Public Appearance**



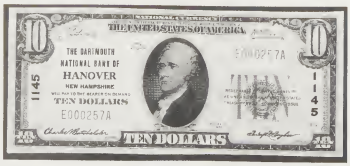
**1376 Ch.W3495.** *Nelson.* **First NB. $20.** 1902 DB. **Fr.643.** No.M76267A/2778. B. **Fine,** trimmed slightly in across the top. The signatures are gone, but the note is solid and undamaged. A **very rare bank** liquidated in 1914, in a small one-bank town near the southern border of the state. Kelly lists **just two notes known**, and we have no record of any other note ever appearing publicly in the past half century. ***($1,000-$1,500)***

**New Hampshire**

**1377 Ch.1180.** *Great Falls.* **Great Falls NB. $1.** Orig. Series. **Fr.380.** No.A155610/2565. B. **Fair** in terms of wear, but with several holes, stains, and splits. The first (Great Falls) title for the bank, with about three notes known; the second (Great Falls NB of Somersworth) title is considerably more common.

***($300-400)***

Van Belkum's original National Bank Note research unfortunately garbled the titles for Charters 1180 and 1183, resulting in mislistings in both the Hickman & Oakes and Kelly works. Don has advised us that Charter 1180 first issued as the Great Falls NB, Great Falls, and later as the First NB of Somersworth, while Charter 1183 appears to have issued first as the Somersworth NB of Somersworth, and later as the Great Falls NB of Somersworth, possibly then reverting back to the first title.



**1378 Ch.1145.** *Hanover.* **Dartmouth NB. $10.** 1929 T1. **Fr.1801-1.** No.E000257A. **Gem Uncirculated.** Obviously carefully kept for generations, for with the note we include an old bank holiday cash presentation envelope, given to "Ruth, Dec. 1933." The inscription indicates this $10 bill was given to her by the bank as a Christmas present in 1933, and mentions the signatures of the two officers whose signatures appear on the bill. ***($600-800)***

**1379 Ch.4740.** *Laconia.* **Lakeport NB. $10.** 1929 T1. **Fr.1801-1.** No.F001037A. **Fine,** well circulated but problem free. The second title for this bank, with five large and eight small notes known.
***($200-250)***

**1380 Ch.N1179.** *Peterborough.* **First NB. $5.** 1902 PB. **Fr.598.** No.T905398B/10588. G. **VF-EF,** and looks even better at first glance. Bright and clean, with good margins and signatures. Scarce in large size, with very few this nice. ***($400-500)***

**1381 Ch.1183.** *Somersworth.* **Somersworth NB. $10.** 1902 PB. **Fr.624.** No.16105/16105. E. **About Fine.** Well circulated but undamaged, with slightly blurred signatures. When the titles of this bank are finally straightened out, this will likely turn out to be the third title used (identical to the first title).
***($275-325)***

See our comments on the titles for this bank under Great Falls above.

**1382 Ch.5092.** *Woodsville.* **Woodsville NB. $5.** 1929 T2. **Fr.1800-2.** No.A001484. **VF,** and looks even nicer. An attractive, clean example of this scarce bank, with good margins. Kelly lists just four large and **seven small notes known.** ***($250-350)***

From Hickman & Oakes' 1985 Memphis sale, where listed conservatively as F-VF; we see no reason this note should be listed as a full VF. One of only two notes known when John cataloged that sale; a few more have since surfaced.

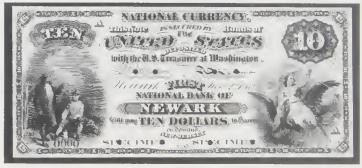
## New Jersey

**Lot 1383**

## Uncut Berlin Sheet

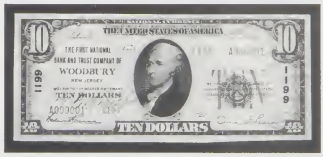
**1383 Ch.9779.** *Berlin.* **Berlin NB. $5.** 1929 T1. **Fr.1800-1. UNCUT SHEET,** Nos.A000005A-F000005A. There is a horizontal fold in the second note, the others are all Choice to Gem Uncirculated. The number 3 sheet is also known, but the Number 1 sheet has been cut. ***($750-1,000)***

## Rare Newark Proof



**1384 Ch.52.** *Newark.* **First NB. $10.** Orig. Series. **Fr.409. PROOF** of the face on India paper. Eight small cancellation holes at the signatures (both Treasury and bank), and stamped SPECIMEN twice in red at the bottom. Red serial number 0000. A beautiful bright example, **Gem Uncirculated** but for a corner crease at the upper left. A scarce bank that issued only first charter notes before bowing out in 1880; Kelly reports ten issued notes known today, and the few we know of are all quite low grade. Ironically, while an issued note has not been offered publicly in the last seven years, this is the second Proof to be offered in two months!
***($2,500-3,500)***

## Number 1 Autographed New Jersey Note



**1385 Ch.1199.** *Woodbury.* **First NB and TC. $10.** 1929 T2. **Fr.1801-2. No.A000001. EF,** and **autographed by Ivy Baker Priest** (Treasurer of the U.S. from 1953 through 1961). While later federal notes are relatively common with the autographs of recent Treasury officials, seldom are numismatically important notes so autographed, particularly Number 1 Nationals. ***($300-400)***

### New Mexico

**1386 Ch.6187.** *Portales.* **First NB. $20.** 1929 T1. **Fr.1802-1.** No.B000335A. **EF,** and a clean, attractive example. Scarce, with fourteen small notes listed by Kelly. ***($300-400)***

### New York

### Choice Long Island Note

**1387 Ch.E7939.** *Bayside.* **Bayside NB. $5.** 1902 PB. **Fr.599.** No.X663302B/3801. E. **VF-EF,** with a few small pinholes. Exceptionally nice broad margins, with bold dark pen signatures. A **very rare** Long Island bank that issued only Third Charter notes before being liquidated in 1928. Kelly lists **just four notes known,** and our extensive records of public sales show just four auctions and one advertisement over the last fifty years. ***($750-1,250)***

**1388 Ch.5816.** *Castleton on Hudson.* **National Exchange Bank. $5.** 1929 T2. **Fr.1800-2.** No.A000278. **VF-EF.** A clean, crisp note, nearly full EF. The second title for the bank, with three large and eight small notes in the census. ***($475-575)***

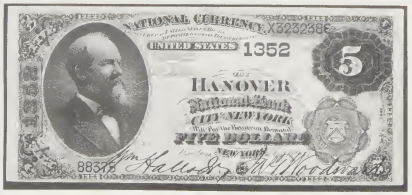
### Extremely Rare Central Park New York Note

**1389 Ch.12951.** *Central Park.* **Central Park NB. $10.** 1929 T1. **Fr.1801-1.** No.C000055A. **VG** but with some soiling and a blue pencil "50" on the face. Kelly gives the census at **just two notes known,** and our extensive sales records show just one prior auction and a fixed price offering in the mid 1970's. The one auction appearance was for the sale of a somewhat better $10 a few months ago. That note brought $2,640 on an estimate of $800 to $1,500. ***($1,500-2,250)***

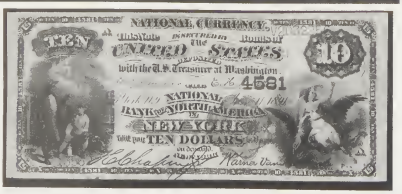
You won't find this community on any maps today, and Kelly's listing of it in upstate Erie County will throw you off even farther. In 1936, due to confusion with THE Central Park in Manhattan, the town of Central Park in Long Island's Nassau County changed its name to Bethpage, under which it thrives today.

**1390 Ch.7703.** *Freeport.* **First NB and TC. $5.** 1929 T1. **Fr.1800-1.** No.C001893A. **Fine,** trimmed slightly in at the bottom. A scarce and popular bank from the south shore of Long Island, with two sheets and ten single notes left to represent the small size issuance. ***($400-600)***

**1391 Ch.E5874.** *Hoosick Falls.* **Peoples NB. $5.** 1882 VB. **Fr.574.** No.T767868/11531. H. **VF.** A bright, pleasing example, with good margins and signatures, and no problems. ***($300-400)***



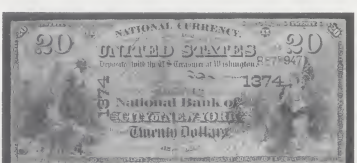
**1392 Ch.1352.** *New York.* **Hanover NB of The City of New York. $5.** 1882 BB. **Fr.469.** No.X323238/88375. F. **EF.** Not a rare bank, just an unusually nice example, with good margins, bright paper and color, and bold dark signatures. ***($500-600)***



**1393 Ch.4581.** *New York.* **NB of North America. $10.** 1882 BB. **Fr.485.** No.V203225/13562. A. **EF.** A common bank, but a beautiful brown back, with great margins, color and signatures. This bank issued brown backs only before being placed in receivership in 1908. ***($425-525)***

**Number 1 New York Red Seal**

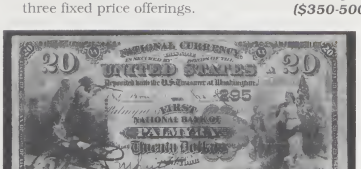
**1394 Ch.1461.** *New York.* **National City Bank. $5.** 1902 RS. **Fr.588.** No.B845192. **Bank Number 1.** C. **EF-AU,** tight at the bottom left, with just a single center fold. **A beautiful Number 1 Red Seal,** with bright color and paper and bold dark signatures.
***($600-800)***



**1395 Ch.1374.** *New York.* **Phenix NB of The City. $20.** Orig. Series. **Fr.427.** No.B578947/6824. A. **VG,** with pinholes and some internal weakness. Close margins typical of New England notes, but better signatures than typical for a note of this grade.
***($500-650)***

**First Time at Public Auction**

**1396 Ch.10111.** *Newark Valley.* **First NB. $10.** 1929 T1. **Fr.1801-1.** No.D000343A. **VF** or better, just a bit tight at the bottom right. A clean, pleasing example of this rare bank. Kelly lists just two large and **five small notes known,** and our records of nearly a quarter million national bank note sales shows **no prior auction appearances** and just three fixed price offerings. ***($350-500)***



**1397 Ch.295.** *Palmyra.* **First NB. $20.** 1882 BB. **Fr.493.** No.T508691/43270. A. **Fine.** Just a bit toned, the cashier's signature strong, the president's weak. ***($325-425)***

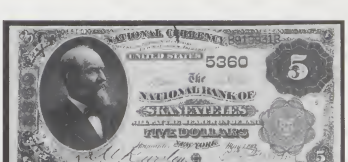
**Second Known Note**

**1398 Ch.7233.** *Philmont.* **First NB. $10.** 1929 T1. **Fr.1801-1.** No.C000522A. **F-VF.** A very rare bank: Kelly reports just three large notes known, and **no small notes reported.** Only 4,322 small notes were issued. After Kelly published his last edition, Lyn sold a small size $20 in the 1997 Memphis sale, making this the second known note. We've recorded just three public offerings over the last fifty years both, including both large and small size.
***($750-1,000)***

**1399 Ch.9940.** *Pine Bush.* **Pine Bush NB. $20.** 1902 PB. **Fr.653.** No.3864/3864. A. **VG,** tightly trimmed at the top and bottom, but with decent signatures and no damage. Very scarce, with just **five large notes known** to Kelly. ***($550-700)***

**1400 Ch.3822.** *Sidney.* **Sidney NB. $5.** 1882 BB. **Fr.470.** No.R516027/3164. B. **Good,** but with repaired splits at the bottom, one with some staining. Kelly lists just **six large and three small notes known,** and we've logged just two other auction appearances in the last decade. ***($325-400)***

**Number 1 Skaneateles Brown Back**



**1401 Ch.5360.** *Skaneateles.* **NB of Skaneateles. $5.** 1882 BB. **Fr.477.** No.B919931B. **Bank Number 1.** C. **Choice EF,** and an exceptionally attractive note even if it weren't a **Number 1.** Great margins and color, with bold sharp pen signatures. Kelly lists fourteen large notes known for the bank, all on the first title. ***($3,500-4,500)***

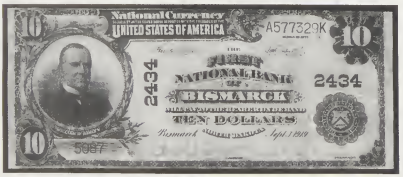
## North Carolina

### Rare North Carolina Red Seal

**1402 Ch.S7188.** *Dunn.* **First NB. $10.** 1902 RS. **Fr.613.** No.K267136/203. A. **VG.** Well circulated, but the signatures are still strong. North Carolina Red Seal notes are **very rare** and seldom offered, and all but one of the ones we've traced have been rather low grade. ***($2,000-2,500)***

While of great interest as a type for North Carolina, the bank itself is also of some interest. Our records show just three public offerings in fifty years - all fixed price lists, and the most recent was seventeen years ago. On the other hand, Kelly lists "50+" notes known. Don has confirmed that the number comes from three individual reported notes plus a pack of fifty Uncirculated $10 plain back notes, closely held for the past few years. A conundrum - do you stretch now for a very rare red seal to cover the bank, or do without for who knows how long, waiting for the hoard to "break?"

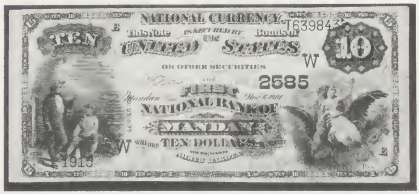
## North Dakota



**1403 Ch.2434.** *Bismarck.* **First NB. $10.** 1902 PB. **Fr.632.** No.A577329K/5087. A. **Fine,** trimmed slightly in at the top. The signatures are light but legible, and there are no pinholes, splits, etc. ***($400-500)***

**1404 Ch.13454.** *Carson.* **First NB. $20.** 1929 T1. **Fr.1802-1.** No.F000029A. **Fine,** with a bit of a blue pencil mark left of the portrait. A very scarce bank that issued a total of just 6,905 notes, all small size. Kelly lists just **seven notes known** plus the Number 1 sheet of $5 notes. ***($300-400)***

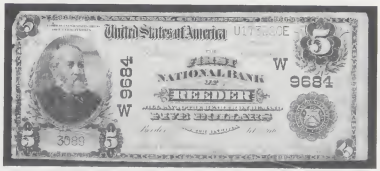
**1405 Ch.W8991.** *Hettinger.* **First NB. $20.** 1902 PB. **Fr.652.** No.T651297D/2915. B. **VF-EF.** A bright, clean, pretty note, with good margins and color, but no trace of the signatures remains. The census now shows **four large notes known,** of which this is the finest, and the outstanding large balance is a low $1,820. ***($750-1,000)***



**1406 Ch.W2585.** *Mandan.* **First NB. $10.** 1882 VB. **Fr.577.** No.T639843/1915. E. **F-VF,** with good margins and decent signatures. Kelly reports just **seven large notes known** of the $1,700 outstanding, all state issues. A rare early type for North Dakota, and this is the finest of the few we've traced. ***($1,000-1,500)***

**1407 Ch.9776.** *New England.* **First NB. $20.** 1929 T1. **Fr.1802-1.** No.E000056A. **Fine,** tightly trimmed at the left, with a couple of tiny pinholes. Reasonably clean and attractive for the grade. From the December 1984 Hickman & Oakes sale, where John Hickman wrote "A very odd name for a small North Dakota community. Population was 613 in 1929. We know of only one uncut sheet and another single note." Kelly has since traced a few more singles, bringing the total to eight notes of the 6,304 small notes originally issued. ***($300-400)***

### First Public Offering



**1408 Ch.W9684.** *Reeder.* **First NB. $5.** 1902 PB. **Fr.601.** No.U173620E/3089. D. **Fine** or better from the standpoint of wear, but the leftmost inch of the note has a fair amount of speckled rust, more prominent on the back than the face. The pen signatures are still strong. A tiny one-bank town in the southwestern corner of the state that seventy years later is still just a quarter-mile across. **Kelly lists just six large notes and no small notes known.** They must be closely held, as our listing of nearly a quarter million national bank note sales has not a single listing for this bank in any auction or fixed price list. ***($300-600)***

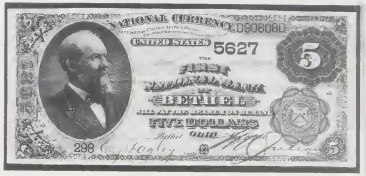
**1409 Ch.W4106.** *Wahpeton.* **NB of Wahpeton. $10.** 1902 PB. **Fr.626.** No.T219750E/5648. B. **Fine,** the president's signature strong but the cashier's weak. A relatively small town, just a stone's throw across the Red River from Minnesota, that surprisingly boasted five note-issuing banks. Given the size of the town, it's not surprising that three of the five (including this one) were out of business by the time the stock market crashed. Kelly lists **just eight notes known.** A few of them have appeared on fixed price lists, but the last auction appearance we can find was a low grade brown back, seventeen years ago. ***($450-550)***

### Ohio

**1410 Ch.4839.** *Arcanum.* **First-Farmers NB. $5.** 1902 PB. **Fr.602.** No.4518/4518. A. **VF-EF.** The signatures are faint, but the cashier's is still legible. Kelly lists **just six large notes known** for the second title. ***($300-375)***

**1411 Ch.M4506.** *Ashtabula.* **Marine NB. $10.** 1902 DI **Fr.619.** No.U231273A/4123. C. **VF-EF,** and clean, attractive note, with good signatures. N notes are known on the first title, eight large an twelve small are known for the second title. ***($350-425***

### Finest in Collector Hands



**1412 Ch.5627.** *Bethel.* **First NB. $5.** 1882 BB. **Fr.477.** No.D90608D/298. A. **EF,** and an extraordinarily attractive example. Bright color, broad margins and bold pen signatures. Kelly reports **just five large notes known,** and an **extremely low outstanding balance of $450** in large size notes! This is the second finest of the known notes, and the only finer one is forever off the market, in the Smithsonian Institution. ***($800-1,000)***

**1413 Ch.M4853.** *Cadiz.* **Fourth NB. $10.** 1882 BB. **Fr.485.** No.T937669T/4445. A. **VF,** with a bit of soiling about the edges, but strong signatures. Kelly reports **just five large notes are known,** and the only recent auction record for the bank was for a low grade small size $20. ***($550-700)***

**1414 Ch.M2495.** *Cincinnati.* **Citizens NB. $10.** 1882 VB. **Fr.577.** No.V34194/123600. I. **EF.** Close at the top, the other three margins broad. Clean and attractive, with good signatures. The first, more common, title for the bank. ***($500-600)***

### Number 1 Cleveland

**1415 Ch.M11141.** *Cleveland.* **Union Commerce NB. $5.** 1902 PB. **Fr.606.** No.Z235627B, **Bank Number 1.** C. **VF,** with decent margins and bold signatures. A very short-lived bank that was liquidated in 1920 after just 34 months of operation. Kelly reports just eight notes known, including one other Number 1 note. ***($400-600)***

**1416 Ch.14011.** *Dillonvale.* **First NB. $20.** 1929 T2. **Fr.1802-2.** No.A000317. **Fine,** with good margins and no problems. A rare late bank that issued a total of only 2,235 notes, all Type 2 $10's and $20's. **Only four notes are known according to Kelly,** and we've tracked a total of only three auction appearances in over fifty years. ***($500-600)***

**1417 Ch.M2544.** *East Liverpool.* **Potters NB. $10.** 1882 VB. **Fr.577.** No.T609704/5436. E. **F-VF,** with a few tiny pinholes. Much better signatures than the last. ***($400-500)***

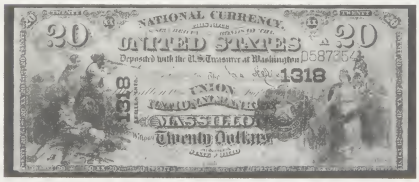
### Attractive Elyria Red Seal

**1418 Ch.M2863.** *Elyria.* **NB of Elyria. $10.** 1902 RS. **Fr.613.** No.H922350/5558. A. **F-VF,** though the signatures have been strengthened. Kelly lists **just five notes known** for the bank, all from the first title. We have traced only three auction appearances for this bank, plus some old fixed price offerings. The other bank in Elyria is also difficult to find. ***($750-1,000)***

**1419 Ch.2992.** *Greenville.* **Second NB. $10.** 1902 PB. **Fr.624.** No.11199/11199. D. **Fine,** with good margins and signatures. The face has average soiling, the back heavier than normal. ***($350-450)***

**1420 Ch.M7517.** *Lancaster.* **Fairfield NB. $10.** 1902 PB. **Fr.624.** No.M314096H/5724. E. **AU.** An attractive note, with good margins and bold pen signatures. ***($300-375)***

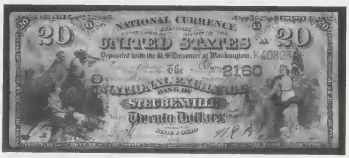
**1421 Ch.1241.** *Lancaster.* **Hocking Valley NB. $50.** 1902 PB. **Fr.675.** No.602/602. E. **VG,** with wear and soiling typical of the grade. The signatures are faint but legible. Thirteen large and ten small notes make up the census, of which a fair number are high denomination notes (from the Brown Backs onward the bank issued nothing under the $50 denomination). ***($475-575)***



**1422 Ch.1318.** *Massillon.* **Union NB. $20.** 1875. **Fr.434.** No.D587354/524. A. **VG,** with some small pinhole. Trimmed slightly in at the bottom, and tight at the top, the signatures faint. ***($750-900)***

**1423 Ch.1980.** *Pomeroy.* **Pomeroy NB. $10.** 1902 PB. **Fr.628.** No.7558/7558. B. **Choice Uncirculated,** gem if the top margin were better. Bright and crisp, with beautiful pen signatures. Superior to the slightly damaged Unc. in C.A.A.'s January 1998 sale, described there by Allen Mincho as "Easily the finest note we've ever seen from this bank." ***($500-750)***

**1424 Ch.7399.** *Senecaville.* **First NB. $10.** 1902 PB. **Fr.624.** No.A160975K/4153. D. **Fine** or so, with some pinholes but decent signatures. Kelly reports **just six large notes known of the unusually low $920 outstanding.** ***($325-400)***



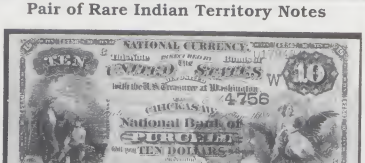
**1425 Ch.2160.** *Steubenville.* **National Exchange Bank. $20.** 1875. **Fr.432.** No.K403231/4764. A. **VG.** Trimmed slightly in a the bottom, with a few tiny pinholes, but the signatures are still strong. The first title for the bank, about even with the second title in terms of rarity. ***($900-1,200)***

**1426 Ch.7795.** *Tiffin.* **Commercial NB. $10.** 1902 PB. **Fr.624.** No.39478/39478. I. **Choice Uncirculated.** Centered a bit high but otherwise superb. ***($400-500)***

**1427 Ch.M2932.** *Xenia.* **Xenia NB. $10.** 1902 PB. **Fr.624.** No.V33200B/4112. D. **F-VF,** with one central pinhole an a tiny edge nick. A much tougher bank, with **just nine large notes known.** ***($300-400)***

## Oklahoma

### Pair of Rare Indian Territory Notes



**1428 Ch.W4756.** *Purcell.* **Chickasaw NB. $10.** 1882 BB. **Fr.485.** No.U178484U/4968. C. **Fine,** with great margins and no pinholes or other damage. The cashier's signature is faint, the president's gone. Only Brown Backs were issued during this bank's territorial days, and the two times this note has sold it was the only one known (Kelly still lists it as unique). In recent years one more $10 and a $20 have surfaced, both in similar condition.
***($3,000-4,000)***

Ex Bailey Collection; sold by Lyn Knight in 1977 and by Dave Koble four years later.

### Unique Wynnewood, Indian Territory Discovery Note

**1429 Ch.5126.** *Wynnewood.* **First NB. $5.** 1882 BB. **Fr.477.** No.T861904/279. A. **Fine,** and a nice unmolested, original note, so hard to find these days. Some natural circulation soiling, with a trace of a clear sticky residue on the back, but with bold, sharp dark signatures. A few notes are known from this bank issued when it was a state, but this is **the first territorial note to surface on the bank.** An exciting discovery note for the Territorial or Oklahoma specialist. ***($7,500-12,500)***

**1430 Ch.10689.** *Commerce.* **First NB. $5.** 1902 PB. **Fr.605.** No.5284/5284. D. **VG,** with some dirt at the upper right, the signatures gone. Kelly lists **just six large notes known** of the $2,360 outstanding. ***($500-650)***

**1431 Ch.10689.** *Commerce.* **First NB. $5.** 1929 T1. **Fr.1800-1.** No.D000759A. **Fine,** and a decent problem-free example. Liquidated in 1931, it's not surprising this bank issued a total of only 8,610 small size notes; of the **four small notes now known** none are particularly high grade. ***($350-425)***

### Number 1 Davis, Oklahoma

**1432 Ch.W5298.** *Davis.* **First NB. $10.** 1902 PB. **Fr.633.** No.U3383D. **Bank Number 1.** A. **EF,** with tight margins at the top and bottom, but good signatures. **1433 Ch.W5298.** *Davis.* **First NB. $10.** 1902 PB. **Fr.633.** No.N660268E/1616. C. **Fine,** but toned about the edges, with slight corner damage at the left, not touching the design. ***($450-550)***

**1434 Ch.7050.** *Hartshorne.* **First NB. $20.** 1902 PB. **Fr.652.** No.6749/6749. B. **Fine,** the signatures no longer visible. A very scarce bank, liquidated in 1926 (no small size), with **just eight large notes known,** plus two territorial issues. ***($425-525)***

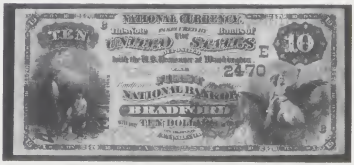
**1439 Ch.3912.** *Enterprise.* **Wallowa NB. $10.** 1929 T1. **Fr.1801-1.** No.F000354A. **VF,** and a pleasing example. A small town in the Hell's Canyon recreational area in the northeast corner of the state, represented today by just one large and **six small notes.** Only 7,236 small size notes were issued.
***($425-525)***

## Pennsylvania



**1440 Ch.E2470.** *Bradford.* **First NB. $10.** 1882 BB. **Fr.490.** No.V555744V/6905. C. **VF,** and a nice problem-free example. Good margins and strong signatures. Kelly lists **just two notes known,** with this note now raising the count. ***($1,000-1,500)***

**1441 Ch.2392.** *Brookville.* **Jefferson County NB. $10.** 1882 BB. **Fr.480.** No.W574851/392. C. **VG.** Well circulated, with a small pinhole, but the margins are good and the pen signatures bold. Just $4,370 in large size outstanding, and a population of seven large and seven small notes.
***($350-425)***

**1442 Ch.E4534.** *Charlerot.* **First NB. $20.** 1902 DB. **Fr.645.** No.V168368A/2452. A. **VF.** Trimmed slightly in across the top, with a couple of small pinholes. The signatures are nearly gone. Another Pittsburgh suburb, this one with just six large notes in the census.
***($325-400)***

**1443 Ch.E3990.** *Coatesville.* **NB. $50.** 1882 BB. **Fr.511.** No.B528522/3037. A. **Fine,** tight at the top, with signatures that have been helped a bit. Rare, with just **four large and three small notes in the census,** and no other large size notes being auctioned in recent years. This bank, from popular Chester County, issued nothing smaller than the $50 denomination throughout its lifespan.

**1483 Ch.970.** *Woonsocket.* **Citizens NB. $5.** 1882 BB. **Fr.474.** No.B420549B/3804. A. **VF-EF,** but looks even nicer. A small town with two issuing banks, on the eastern edge of the state. This is the scarcer of the two, with **just three notes known** (all large size, as the bank was placed in receivership in 1925). Prior offerings of this bank include NO auction appearances, and just three old ads and fixed price lists. In addition to the bank rarity, red seals are a very rare type for south Dakota, with less than two dozen known. From any standpoint, a true prize for the South Dakota collector. ***($3,500-5,000)***

**1490 Ch.W6688.** *Colman.* **First NB. $5.** 1902 PB. **Fr.598.** No.U864396B/1880. H. **VG.** A bit more soiling than usual, but the signatures are still strong. Just eight notes in the Kelly census. ***($350-450)***

**1491 Ch.W9188.** *Letcher.* **First NB. $10.** 1902 PB. **Fr.626.** No.N559257E/2510. A. **EF** or so, with an even better appearance. Good margins, with beautiful bold pen signatures. **1492 Ch.W10592.** *Sioux Falls.* **Security NB. $10.** 1902 PB. **Fr.631.** No.H779022D/3112. A. **Choice EF,** with a faint horizontal fold. ## Texas

**1496 Ch.S4265.** *Bowie.* **First NB. $20.** 1902 DB. **Fr.645.** No.A207067A/894. A. **Fine,** with broad margins and bold pen signatures. Rare, with **just five notes known** of the meager $2,440 in large size outstanding. The small size population isn't much better, with eight notes known. Another of the great town name loaded with historical significance for the American west. ***($400-500)***

**1497 Ch.4695.** *Brownwood.* **First NB. $50.** 1929 T1. **Fr.1803-1.** No.E000265A. **Fine,** with some soiling. Any self-respecting Texan will readily tell you how big everything is in Texas, and with the adoption of this bank's second title in 1919 they no longer saw the need for "small" denominations. The Kelly population for the second title stands at just three large and four small notes, all $50's and $100's. ***($350-500)***

Our records show just five public offerings, including Lyn Knight's sale of this note in 1997, as part of the J.L. Irish collection. ***($600-750)***

**1499 Ch.6223.** *Lott.* **First NB. $10.** 1929 T1. **Fr.1801-1.** No.E000417A. **Fine,** a bit close at the left. Just four large and four small notes in the Kelly census. ***($400-550)***

Kelly reports a fair number of notes known, but we can't recall ever seeing an Unc. before, and only one note that could even be considered close to that grade. ***($700-900)***

**1502 Ch.8239.** *West.* **NB of West. $20.** 1929 T1. **Fr.1802-1.** No.A000258A. **EF-AU,** close at the top. **Very Rare Bristol, Vermont**

**1505 Ch.6252.** *Bristol.* **First NB. $20.** 1902 PB. **Fr.661.** No.1385/1385. A. **F-VF.** Close at the bottom, but with good signatures and no defects. Extremely rare, with **just two notes in the census.** Not surprising, since the outstanding large size balance is an extraordinarily low $860. Our sales records show a short string of appearances on Curt Iverson fixed prices lists from 1982 to 1985, but not a single other offering of any kind before or since. This note is from the so-called "fourth charter period" - issued by banks that extended their charters late in 1921 or early in 1922, with the later dates engraved on the plates. ***($1,200-1,500)***

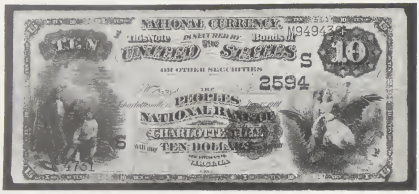
**1509 Ch.2295.** *St. Johnsbury.* **Merchants NB. $10.** 1882 BB. **Fr.487.** No.Y26080/3261. B. **VG,** with good margins and bold dark pen signatures. Its only trivial problem is a quarter inch split in the center fold at the left. Kelly reports just **nine notes known.** ***($400-500)***

## Virginia



**1510 Ch.S2594.** *Charlottesville.* **Peoples NB. $10.** 1882 DB. **Fr.545.** No.M949439/4731. F. **VG-F,** with pinholes and a quarter inch internal split. A very scarce early type for Virginia. We know of only a couple of dozen for the entire state, only two of which are EF or better. ***($750-1,000)***

**1511 Ch.7937.** *Christiansburg.* **First NB. $5.** 1902 PB. **Fr.598.** No.X753701H/8340. B. **VG.** Tightly trimmed at the top and bottom, but no pinholes or splits. Kelly lists just **five large notes known** of the $3,720 outstanding. ***($600-750)***

**1512 Ch.9455.** *Crewe.* **First NB. $10.** 1902 PB. **Fr.626.** No.7807/7807. B. **G-VG.** A well used and slightly abused note - trimmed slightly in across the bottom, with pinholes and short internal splits and a small bald spot in the seal. The signatures are surprisingly strong for the grade. **Just four large notes known,** with an outstanding large size balance of only $2,490 when the bank was liquidated in 1934. ***($350-450)***

**1513 Ch.5591.** *Culpepper.* **Culpepper NB. $10.** 1902 PB. **Fr.633.** No.6124/6124. C. **VG.** A bit more soiled than usual, particularly on the back, and the signatures are virtually gone. Still solid, with decent margins and no damage. Kelly lists just **five large notes known** of the $2,680 outstanding. ***($300-375)***

**1514 Ch.5683.** *Farmville.* **First NB. $10.** 1902 PB. **Fr.633.** No.9163/9163. C. **Fine,** trimmed slightly in at the top, with some soiling on the back. Just a half dozen notes in the current census. ***($350-450)***

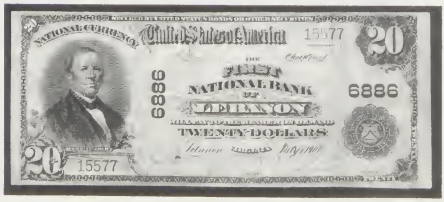
Lot 1514

**1515 Ch.7208.** *Gate City.* **First NB. $5.** 1902 PB. **Fr.598.** No.6541/6541. G. **About Fine.** The signatures are a bit light, but the margins are good and there are no pinholes or splits. Kelly lists just **four large notes known** (plus three small notes) for this small town just north of the Tennessee border. Not surprising, as the outstanding large size balance was just $2,690 at the close. Very few sales on record, and the only other one sold recently was a slightly lower grade $20 that was damaged. ***($500-650)***



**1516 Ch.6886.** *Lebanon.* **First NB. $20.** 1902 PB. **Fr.652.** No.15577/15577. B. **F-VF,** and a rather wholesome problem-free example. The signatures are light but plain enough, and there are no pinholes, splits, etc. A rare bank, unknown of the first title, and **just four large notes known on the second title.** ***($400-500)***

**1517 Ch.S6032.** *Norfolk.* **NB of Commerce. $10.** 1882 BB. **Fr.490.** No.U823445U/29816. A. **F-VF.** Trimmed slightly in at the top right, and the upper left corner tip has been replaced, not touching the design. Still a decent looking example of the first title for the bank, with good signatures. ***($350-450)***

### Partial Cut Sheet of Norton, Virginia

**1518 Ch.9746.** *Norton.* **NB of Norton. $10.** 1929 T1. **Fr.1801-1. Partial Cut Sheet,** Nos.A000743A-D000743A. **Gem Uncirculated,** as nice as the day they came off the press. [4] ***($650-900)***

**1519 Ch.9746.** *Norton.* **NB of Norton. $10.** 1929 T1. **Fr.1801-1.** Nos.D000737A and A000746A. Both **Choice Uncirculated,** gem but for the centering. [2] ***($300-400)***

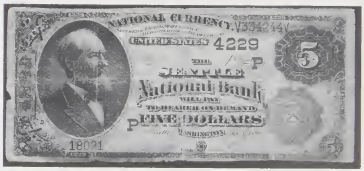
**1520 Ch.S5229.** *Richmond.* **American NB. $10.** 1882 VG. **Fr.577.** No.U752437/7911. E. **VF** or so, but with pinholes at the edges, a few of them large. Trimmed slightly in at the bottom, the other margins quite broad. The signatures, while dark and bold, are below the signature line, in the engraving. A scarce type for Virginia, with only a couple of high grade examples known. ***($350-500)***

**1521 Ch.S8666.** *Richmond.* **National State and City Bank. $10.** 1902 PB. **Fr.627.** No.T310317/44087. G. **AU.** Closely trimmed at the sides, and slightly in at the bottom, but the signatures are bold and the overall appearance is quite nice. The second title for this large-only bank, with eleven notes in the census. ***($400-500)***

**1522 Ch.9012.** *Wytheville.* **First NB. $20.** 1929 T1. **Fr.1802-1.** No.A000260A. **F-VF,** with a single pinhole. Very few small size notes were issued before the second title was adopted in December 1930. Kelly lists **just four notes known** with this title. ***($250-350)***

### Washington

**1523 Ch.11045.** *Ellensburg.* **NB of Ellensburg. $20.** 1929 T1. **Fr.1802-1.** No.D000160A. **Gem Uncirculated,** virtually perfect. A rare bank liquidated in 1933, with just four large and **six small notes known.** The six must be very closely held, as few have been publicly available - our records show just two auctions in fifty years, in 1984 and 1989, plus a number of fixed price lists issued by two dealers. ***($750-1,000)***



**1524 Ch.P4229.** *Seattle.* **Seattle NB. $5.** 1882 BB. **Fr.471.** No.V334244V/18021. C. **VG** or so, but with soiling and small edge chips and splits. Though the bank is common, brown backs on Washington certainly are not easy to find. ***($350-450)***

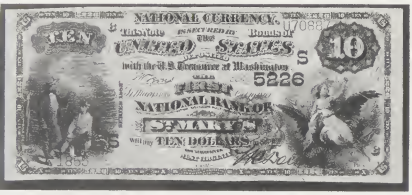
**1525 Ch.4229.** *Seattle.* **Seattle NB. $50.** 1902 DB. **Fr.670.** No.A954220/12006. D. **Fine,** trimmed slightly in at the bottom, with moderate soiling. The signatures are still bold. Starting with the 1902 series this bank issued no notes under the $50 denomination. ***($350-450)***

### West Virginia

**1526 Ch.S3106.** *Huntington.* **First NB. $20.** 1902 PB. **Fr.650.** No.Y239798E/90876. C. **Choice EF,** but trimmed slightly in at the top, and a bit toned. The much scarcer first title, dropped in 1924. Kelly reports **only eight notes known.** ***($275-350)***

**1527 Ch.5717.** *Moundsville.* **First NB. $10.** 1929 T1. **Fr.1801-1.** No.C000210A. **VF,** with some claims to EF. Close at the top. Seven large and ten small notes in the census. Just seven large and ten small notes in the census. ***($275-350)***

8 **Ch.14053.** *Philippi.* **First NB. $20.** 1929 T2. **Fr.1802-2.** No.A000180. Technically **AU,** but with some faint brown staining in the central part of the note. A rare bank that issued Type 2 notes only, and not many of them. Kelly lists **six known,** and our extensive sales records show only two public offerings in fifty years. ***($500-600)***



9 **Ch.3629.** *Piedmont.* **First NB. $10.** 1929 T1. **Fr.1801-1.** No.F000954A. **Choice Uncirculated,** virtually gem. Just as it left the press nearly 70 years ago. ***($250-325)***

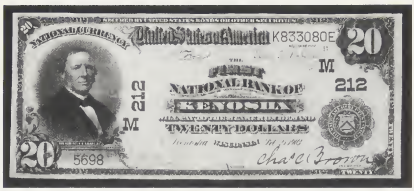
0 **Ch.S5226.** *Saint Marys.* **First NB. $10.** 1882 BB. **Fr.490.** No.U708873U/1855. C. **F-VF,** with good margins and signatures, and no pinholes or other damage. Kelly reports just eight large notes known of the $3,650 outstanding. ***($650-800)***

## Wisconsin

1 **Ch.4602.** *Beaver Dam.* **American NB. $10.** 1902 PB. **Fr.632.** No.8161/8161. B. **Fine.** Decent margins and no strong signatures, with no pinholes or other problems. The slightly more common second title, with **nine large notes known.** ***($350-450)***

2 **Ch.11783.** *Burlington.* **Burlington NB. $5.** 1902 PB. **Fr.607.** No.34513/34513. B. **Choice Uncirculated,** and a full gem if the top margin were a bit better. Fully bright, clean and crisp, with beautiful blue signatures. Kelly lists just eight large notes known of the $3,080 outstanding. All other large notes we've seen have been under Fine, making this **potentially the finest known by a considerable margin.** ***($250-350)***

3 **Ch.6469.** *DePere.* **NB. $10.** 1929 T1. **Fr.1801-1.** No.A000724A. **F-VF,** close at the left. The small size issuance consisted solely of Type 1 $10 and $20 notes, and only ten are accounted for today. ***($300-375)***



1534 **Ch.M212.** *Kenosha.* **First NB. $20.** 1902 PB. **Fr.650.** No.K833080E/5698. B. **Fine** in terms of wear, but washed, with some discoloration in the folds on the back, and the cashier's signature nearly gone. The census shows ten large notes known. ***($350-450)***

1535 **Ch.11826.** *Ladysmith.* **Pioneer NB. $5.** 1929 T1. **Fr.1800-1.** No.F002474A. **Fine** or a bit better. A great name, and very scarce, with three large and **eight small notes known.** ***($450-550)***

1536 **Ch.2715.** *Milwaukee.* **First NB. $5.** 1882 BB. **Fr.466.** No.U590048/21810. C. **F-VF,** with good margins and light but legible signatures. No pinholes or splits. The interim charter number for this bank, which retook its original charter number (64) in 1911. The brown backs and red seals were issued only under this charter number, not 64. Far scarcer than the charter 64 issues. ***($300-400)***

1537 **Ch.1602.** *Neenah.* **First NB. $50.** 1929 T1. **Fr.1803-1.** No.E000064A. **EF,** or close to it. Under its first title (which is unknown today) this bank issued nothing over the $20 denomination. After its 1905 title change it issued nothing under the $50 denomination. A total of only 2,100 small notes were issued, all Type 1. The census today stands at two large and twelve small notes. ***($400-500)***

1538 **Ch.9606.** *Neillsville.* **First NB. $5.** 1902 PB. **Fr.600.** No.9324/9624. C. **VG** in terms of wear, but with a burn hole at the upper left and slightly tattered edges. Just six large and seven small notes in the census, and the only ones offered recently have been small size. ***($325-400)***

**1539 Ch.M5521.** *Oconto.* **Citizens NB. $20.** 1882 DB. **Fr.555.** No.T289944/3886. B. A particularly pleasing **VF+,** with the look and feel of a Choice EF. Clean and bright, with good margins, bold color and signatures, and not a single defect we can find. The Kelly census shows an even dozen large notes known, but we've never seen one nicer than this.
***($500-750)***

**1540 Ch.5521.** *Oconto.* **Citizens NB. $10.** 1929 T1. **Fr.1801-1.** No.B000962A. **Choice EF,** and looks even nicer. Only 8,832 small size notes were issued, and there are eight known today.
***($325-425)***

**1541 Ch.3541.** *Oconto.* **Oconto NB. $10.** 1929 T1. **Fr.1801-1.** No.C000044A. **Fine.** Evenly worn and undamaged. The scarcer of Oconto's two banks, with 6,804 small notes issued, and seven now in the census.
***($325-425)***

**1542 Ch.M4650.** *Platteville.* **First NB. $10.** 1902 PB. **Fr.628.** No.M409495E/4478. B. **VG** or a bit better. The top edge is a trifle rough and there is a bit more soiling than usual, but the signatures are strong. The census shows seven large and eight small notes known.
***($325-400)***

**1543 Ch.4305.** *Ripon.* **American NB. $10.** 1902 PB. **Fr.627.** No.4487/4487. C. **Fine,** but washed, the green back noticeably lightened and the president's signature gone. ***($225-300)***

**1544 Ch.4305.** *Ripon.* **American NB. $20.** 1902 PB. **Fr.653.** No.U775130H/3568. A. **Fine** or better, with good signatures and margins. Another example of the scarce second title, in better condition.
***($350-450)***

**1545 Ch.5469.** *Shawano.* **First NB. $20.** 1902 PB. **Fr.659.** No.1949/1949. A. **VF.** Trimmed slightly in at the bottom right, and the signatures are long gone. The census shows a dozen each for large and small size.
***($300-400)***

**1546 Ch.9304.** *Stoughton.* **Citizens NB.** 1929 **Fr.1801-1.** No.C000055A. **Fine.** A bit soiled, with no splits, pinholes, or other problems. The census shows five large and seven small notes, they are rarely offered - we've traced only four public sales over the past fifty years. The scarcer Stoughton's two banks, and the only two recent offerings were both for small size $10 notes, just slightly better than this.
***($250-35***

**1547 Ch.2820.** *Wausau.* **First NB. $5.** 1902 PB. **Fr.59** No.17563/17563. B. **VF,** trimmed slightly in at the top left. The signatures are light but legible.

## U.S. ERROR CURRENCY

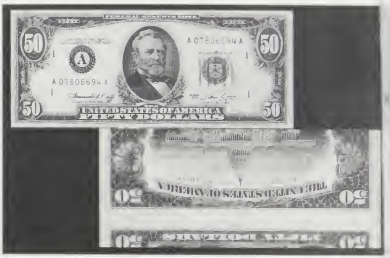
### Double Denomination Note

**1617 $5 FRN 1934D. $5/$10 Double Denomination.** No.J43312813A. **Gem Uncirculated.** A superb example of the **"King of Errors."** Several are known in the vicinity of this serial number, but most have pressbed smudging or are a trifle off center. The Levitan piece, almost as nice as this one, brought $16,500 on a $7,000 estimate just a few months ago. ***($10,000-15,000)***

### Printing On Sizing Paper

**1618 $1 FRN. New York District. The Overprints Only, on plain white sizing paper.** Unknown date. Faint ghost impressions of the face engraving can be seen here and there, but the denomination can be determined from the horizontal spacing of the overprints. This is the exact piece illustrated on page 422 of Stephen Sullivan's *US Error Note Encyclopedia*. One of the rarest types of errors - not a printing on a small piece of scrap, but a full note-size printing on odd paper that went completely through the press and cutting stages, receiving the seals and serial numbers, but no face or back engraving. **Choice to Gem Uncirculated,** bright and crisp. The kind of eye-catching major error that can elevate an already significant collection to an even higher plateau. ***($3,000-6,000)***

### Inverted Printing Error



**1619 $50 FRN 1974. Boston.** No.A07806694A. **The back is Inverted and misaligned. Choice Uncirculated** with a light pinch in the center. Rarer and more visually striking than most inverted errors. ***($750-1,000)***

### Multiple Impression Errors

**1620 $1 FRN 1974. Dallas.** No.K3018xxx8B. **The overprints are fully double printed,** with the fifth, sixth and seventh digits of the serial numbers different on the two impressions. The two impressions are very closely aligned. **Gem Uncirculated,** and rarer than doubled engraving errors, valued several times higher by Sullivan. ***($1,000-1,500)***

**1621 $1 FRN 1988A. Richmond.** No.E93324970H. **The face engraving double printed,** the face plate numbers identical. **Gem Uncirculated.** Popular, and in superb condition. ***($500-1,000)***

**Do You Have Currency For Sale?**

If you are thinking of selling your currency please remember that we are willing buyers. We will gladly make generous offers on single items, estates, collections, and corporate or institutional archives.

**1622 $10 FRN 1985. New York.** No.B77605962F. **The face engraving double printed,** the face plate numbers identical. **Choice EF,** with the second impression farther from the first than usual, making this a very startling error. ***($500-750)***

## Missing Printing Errors

**1623 $1 FRN 1995. New York. Blank back.** No.B17160305T. **Gem Uncirculated.** A superb example, without the slightest trace of the back engraving. ***($250-350)***

**1624 $50 FRBN 1929. New York. Most of the black overprint missing due to underinking.** No.B00300703A. **VF.** Not a trace of the top 3/4 of the overprint, the signatures and two bottom "B"s are very lightly inked. A rare error on this series. ***($150-200)***

## Overprints on Back Errors

**1625 $1 FRN 1988. Richmond.** No.E63603886E. **The overprints on the back. Choice EF.** ***($150-200)***

**1626 $1 FRN 1995. Richmond.** No.E60703502J. **The overprints printed on the back. Choice Uncirculated.** ***($300-400)***

## Rare Multiple Overprint Error

**1627 $10 FRN 1990. Chicago.** No.G13042186D. **The overprints are virtually entirely missing from the face and printed almost vertically on the back.** Far rarer than the usual overprint on back error which results from sheets being fed upside down. An error such as this would more often than not jam the press and be pulled immediately. ***($1,500-2,000)***

**1628 $20 FRN 1985. Boston.** No.A00758371E. **The overprints are printed on the back. Uncirculated,** with a wee bit of edge handling evident. Never folded. ***($225-275)***

**1629 $20 FRN 1990. New York.** No.B42353443L. **The overprints are printed on the back. Choice EF,** with two center folds. ***($200-250)***

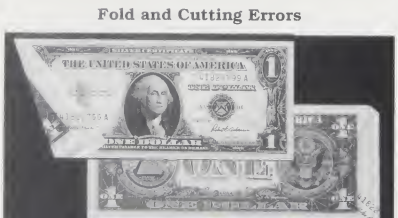
### Mismatch Errors

**1630 $1 SC 1957. Mismatched prefix letters in the serial numbers.** Nos.A63729790A/**Q**63729790A. **VF.** As a group, prefix/suffix mismatch errors are much rarer than mismatched serial numbers. ***($125-150)***

**1631 $1 SC 1957B. Mismatched serial numbers.** Nos.U**3**7030674A.U**4**7... **Gem Uncirculated.** ***($75-125)***

**1632 $1 SC 1957B. Mismatched serial numbers.** Nos.U**3**7032181A/U**4**7... **Gem Uncirculated.** ***($75-125)***

### Fold and Cutting Errors

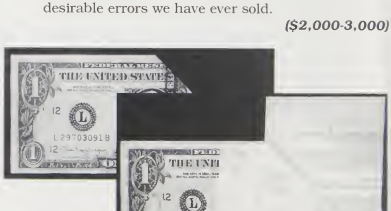


**1633 $1 SC 1957. Corner foldover affecting both face and back engraving and overprint.** No.T41822799A. **Gem Uncirculated,** with both "bookends." Most of the left serial number and Priest's signature are on the back, most of both face and back master plate numbers show in the wide margins. A very attractive major fold error. ***($250-350)***

**1634 $5 SC 1953.** No.B64799493A. **A corner fold at the lower right has resulted in a square inch of the face engraving printed on the back. Choice EF.** ***($175-250)***

### Incredible High Denomination Star Error

**1635 $50 FRN 1990. New York.** No.B02060665*. **An outstanding STAR multiple fold error, with printings at various stages of the fold:** The back was printed normally, after which the first fold occurred. The face engraving was then printed partially on the back, and a second fold occurred, after which the serial numbers were printed, partially split by the two folds. All this on a STAR NOTE, and a high denomination one at that! **Gem Uncirculated,** and one of the most important and desirable errors we have ever sold. ***($2,000-3,000)***



**1636 $1 FRN 1988. San Francisco.** No.L29703091B. **After the back was normally printed a major fold resulted in 60% of the face (engraving and overprint) being printed on the back. VF.** ***($350-500)***

**1637 $1 FRN 1988A. Philadelphia.** No.C19287236A. **A fold at the upper left has left part of the back engraving printed on the face. EF-AU.** ***($175-250)***

**1638 $5 FRN 1995. Boston.** No.A44867960A. **A large corner fold at the upper left has about one square inch of the face engraving on the back. Choice EF.** ***($175-250)***

**1639 $20 FRN 1977. Boston.** No.A83028204A. **A fold at the lower left has resulted in part of the District Seal and left serial number being printed on the back. Choice EF.** ***($250-350)***

**1640 $20 FRN 1950A. Boston.** No.A26598317A. **With a one inch butterfly corner at the upper right. Choice Uncirculated.** Scarce on the early series notes. ***($125-175)***

## Offset Errors

### Superb Matching Consecutive Errors

**1641 $10 FRN 1950A. Chicago.** Nos.G27837954C-55C. An outstanding error pair, with **the first having 40% of the back blank from an obstructed, the second received a matching 40% dark back on face offset, coming from the printed obstruction.** The first such matching pair we have seen. [2] ***($500-1,000)***

### Rare Star Note Offset

**1642 $20 FRN 1950B. Kansas City. STAR** No.J02293404*. **With a dark 30% offset of the top of the face on the back. EF.** Very rare, not just as a STAR error, but for the denomination and early series as well. ***($400-600)***

As Eric Newman pointed out in his outstanding treatise on Heath books, the number and selection of plates varied widely, probably dependent upon what was available on the day the book was bound. **This book has about the best selection of plates we've ever seen in a Heath** - not only the usual minor plates, but the Fractional Currency plate and no less than three full face and back counterfeit National Bank Note plates - the $100 Boston $20 City of New York, and $10 Chicago. Very rarely do Heaths contain three full counterfeit notes.

**1676** *Heath's Infallible Counterfeit Detector at Sight... Pocket Edition.* 1877. Twelfth Edition. 47pp. 10 plates. **1677** *Heath's Infallible Counterfeit Detector at Sight... Pocket Edition.* 1870. Tenth Edition. 40pp. Orange-brown cover. **About Fine,** a bit chipped at the corners. Plates include the Fractional Currency. ***($100-125)***

## Obsolete Currency

**1750 Arkansas. Mayers Brothers Note Group.** [3] ***($200-400)***

1) *Fort Smith.* **25 cents.** (R234-7). **VG,** trimmed borders a few small body holes. 2) **$1.** (R234-25). **VG,** edge chinks and a top left corner hole. 3) **$2.** (R234-30). **Fine. All three notes are payable at Ft. Gibson in Indian Territory, a post then occupied by the Confederacy.**

**1751 Arkansas.** *Fort Smith.* E.S. Mitchell. **50 cents.** (R236-2). R-7. **Fine,** stained at the left of center at the top. ***($200-400)***

Mitchell was a Confederate Sutler.

**1752 Connecticut.** Wilkcox & Co., per the Meriden National Bank. **$1.** October 8, 1873. Maverick & Son., NY. Green back, with eagle. **Fine,** soiling, the paper is weakening along the heavy center fold. ***($150-300)***

It was illegal for national banks to circulate their pre-charter obsolete notes or to receive or circulate the notes of their clients. However, by October 1873, the nation was in the midst of a major financial crisis and panic, and the federal authorities, with banks falling like ten pins in a bowling alley, had more pressing matters to attend to than the petty delinquencies of Wilcox & Co., or the Meriden National Bank.

**1753 Delaware.** Bank of Delaware Note Group. [2] ***($250-500)***

1) *Wilmington.* **$1.** (DE70, G-32). SENC. **VG,** long repaired tear in from the right. It is hard to say if this note is, in fact genuine. But given the absence of known real notes, one concludes that real or otherwise, this is a great rarity. 2) **$2.** (DE70, C60), **Good,** torn, backed with part of a page of a literary publication. **Also Rare.**

Only the Bank of Milford failed prior to 1860 so that with a high survival rate, genuine notes of the Delaware banks are truly **Rare.** Ex Spink-America Western Reserve Historical Society Sale.

**1754 Delaware.** A Second Bank of Delaware Note Group. [2] ***($230-450)***

1) *Wilmington.* **$2.** (DE70, C-55). SENC. **Fine,** pen cancelled, edge tear and corner hole at the right; a body hole at the left. 2) **$2.** (A-20). Globe Bank of NY note. **VG,** a chunk out of the right edge; a small piece gone at the left center. **Ex Western Reserve Historical Society Sale.**

**1755 Delaware.** A Last Bank of Delaware Note Lot. [2] ***($220-425)***

1) *Wilmington.* **$3.** (DE70, A-25). **Fine,** right signature is faded. 2) **$10.** (A-40). **VG,** plus, a light ink stain with bleed through left of center. **Ex Western Reserve Historical Society Sale.**

**1756 Delaware.** *Wilmington.* Bank of Wilmington and Brandywine Group. [2] ***($160-325)***

1) **$5.** (DE85, C-58). **VG-Fine,** two small body holes at the center. 2) **$10.** (R25A). **G-VG,** edge chinks, surface face bald spots at the right. Lightly pen cancelled at the left. **Ex Western Reserve Historical Society Sale.**

**1757 Illinois.** *Peoria.* Farmers and Merchants Exchange Co. **$1.** 1852. No imprint. Orange simple back. **Abt VG.** ***($250-500)***

A note prepared for a private banker.

***Please note that a 10% buyer's premium will be added to each lot purchased.***

**1758 Iowa.** City of Keokuk. **$3.** (Oaks 80-3). R-6. **F-VF,** but there is staining in the central top area.
***($125-250)***

**1759 Iowa.** *Le Claire.* Davenport, Rogers & Co. **$1.** (Oaks 88 1). R-6. **VG-Fine,** a right top edge tear cloth strip repaired on the back. ***($200-400)***

1-9) Citizens Bank. **$1, $2, $5** (green). **$20, $50**(2). (G-40a). **$1,000.** (G-54b). **Unc.** New Dix Note. **$10.** *Shreveport.* **$5. U. Unc.** 10-17) Canal Bank. **$5, $5** (2), **$10** (2). **$20, $50, $100. U. Unc.** 18) Parish of Pointe Coupee. **$2.** Echo print. Ceres. Tissue paper. **Fine.**

**1761 Maine.** *Brunswick.* The Pejepscot Bank. **$2.** (ME225, G-4a). Old fashioned 1820's back. **VG, plus,** nice, complete borders. ***($200-400)***

**1762 Maryland.** *Baltimore.* Maryland State Colonization Society Pink Paper Rare Reprint Group. [3]

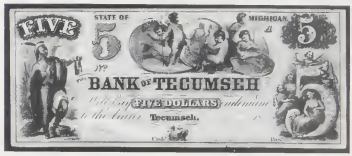
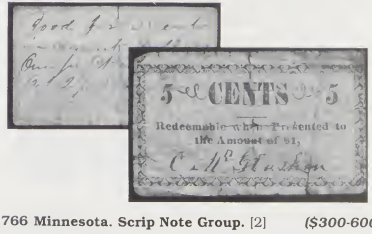
**1763 Massachusetts.** *Boston.* **Dealers lot of Cochituate Bank Notes.** [796] ***($1,600-2,400)***
This lot is comprised of **$1.** Small "One" (35), **$1** large "ONE" (134), **$2.** Large "TWO". (145). **$3.** No protector. (9). **$3.** Large "Three" in red. (142). **$5.** "FIVE" in red. (331). Average grade **Good to Very Good.** Some are as low as **Good,** others as nice as **VG.**



**1764 Michigan.** Bank of Tecumseh Group. [3]
***($400-800)***
1) **$5.** MI435, G-28). **Proof. AU,** slices in signature blocks, a back strip repair. 2) **$5.** (G-28a). **G-VG,** edge chinks, small body holes. 3) **$5.** (G-28b). **G-VG,** back ink smears, edge chinks. The two issued notes are much harder to acquire than their pricing in Haxby might lead one to imagine.

**1765 Minnesota.** *Minneapolis.* State Bank. **$5.** (MN85, G-6). **AU,** a back center fold with back glue stains in three places. ***($300-600)***
Since the signatures appear to be written in the same hand, and as we have never seen in person an authentically issued note, they are probably or a later period and falsified.

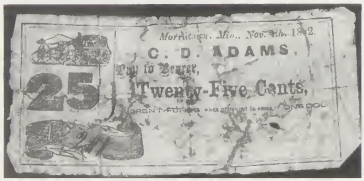


**1766 Minnesota. Scrip Note Group.** [2] ***($300-600)***
1) C. McGlushan. **5 cents.** 1860's. Paper link chain watermarked. **VG,** a center split. 2) (Garnet) Samuels & Co. **5 cents.** All handwritten. Oct 27, 1862. Bearing one percent interest (most unusual). On cardboard. **Fine,** back soiling. Neither note has a town of issue. However,

both were unearthed in Minnesota by the consignor, who feels confident that they come from that state. As some of the notes listed in Rockholt also do not have a state or city listing, this makes such a claim more plausible.

**767 Minnesota. Civil War Era Scrip Notes.** [2] ***($250-500)***

1) *Hastings.* Barman, Nash & Co. per the Bank of Hastings. **25 cents.** Oct 4, 1862. Blue on white, fire engine. (R-4). **Fair,** there is a big piece out of the left side with small body split holes. 2) Treasurer of the city of Winona. **10 cents.** Nov 20, 1862. Printed signatures. Printed by the Winona Republican Print. Red stamp on face. **Abt VG,** but a small piece torn off the left bottom border.



*Illustrated at 100% of original size*

**1768 Minnesota.** *Morristown.* C.D. Adams. Nov 4, 1862. Blue on white. **G-VG,** body splits and holes; backed. ***($250-500)***

Issuer and town unlisted in Rockholt.

**1769 Minnesota.** *Red Wing.* John R. Mues. **5 cents.** Black on blue cardboard disc. Millar, Print, Chicago. **AU,** slight edge wear. ***($200-400)***

Also unlisted in Rockholt. Pieces of this type were generally put our in the 1890's.

**1770 Missouri.** *Lexington.* Farmers Bank. **$100. Proof** 15, Design 100Aa. **Unc,** POC, ABN archives stamp on the back. ***($200-400)***

**1771 Montana.** *Forsyth.* Forsyth Mercantile Co. **50 cents.** nd. No.10, Black on greenish paper. **VF,** five or so light folds. ***($250-500)***

Signed by S.J. Kaisler. Scarce late 19th century western private scrip.

**1772 North Carolina.** *Elizabeth.* Farmer's Bank. **$50.** (G-52). DW. SENC. Remainder. **Fine,** seven hand punch holes. ***($300-600)***

Stated to be SENC and supposedly issued in 1861-3. From the imprint we should judge that the issue date was somewhere in the 1850's and judging by the fact that the Elizabeth City main office failed before the War, is is quite unlikely that any significant number of these notes were issued in the first place.

*Lot 1773*

**1773 Selected Rare Pennsylvania Obsolete Bills.** [3] ***($250-500)***

1) *Catasauqua.* Bank of Catasauqua. **$2.** (PA-55, G-8). **VG,** bank hammer cancellation, mottled staining. **Rare.** 2) *Pittsburgh.* Mechanics Bank. **$5.** (PA-540, G-6a). **VG-Fine,** red vasz stamp, top right, POC om the signature blocks and to the left. 3) Mechanics Bank. **$20.** (G-10). **F-VF,** POC in the signature blocks, the top border in trimmed right of center.

**1774 Selected Pennsylvania Notes.** [17] ***($200-400)***

1) *Allentown.* Northampton Bank. **$5.** 1841. **F-VF** stained. 2) *Carlisle.* First National College Bank. **$2.** 1866. green tint. **VG,** petty body holes. 3) Borough of Harrisburg. **25 cents.** 1842. **Abt VG,** soiled. 4) Harrisburg Bank. **$2.** CFT. **VG-Fine.** 5) Lancaster City Loan. **6 1/4 cents.** July 24, 1837. **VG,** with envelope. 6) Bank of Northampton. **$10.** German text. **Fine.** 7-9) Same Bank. **$20, $50, $100.** 1834-1841. **Fine, EF, Fine.** 10-11) District of Southwark. **$1.** A.B. **1775 South Carolina.** *Charleston.* Bank of South Carolina. **$100.** T. (SC 30, G-72). **Proof,** on card. **Unc.** ***($200-350)***

These notes when found issued are usually heavily cut out cancelled and badly worn. This is a lovely example of the note.

**1776 South Carolina.** *Charleston.* Bank of the State of South Carolina. **$4.** (SC-45, G-42b). **Proof,** on India paper only. **Unc,** POC. ABN archives stamp on the back with ink bleed through. ***($180-350)***

**Excessively Rare.** It is reported that only two of these notes are known still to exist. Because of the Federal enforcement of the laws against private or local government note issues, it is doubtful that anything like 42913 were issued. In fact, this note has probably been falsely filled in.

**1778 Tennessee.** *Wayne County.* Wayne Furnace. **$1** 1870's. Green face protector and back. **Good-VG** body splits. ***($230-450)***

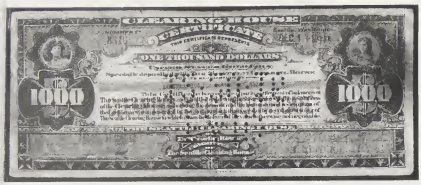
**Extremely Rare Clearing House Certificate**



**783 WA.** *Seattle.* Seattle Clearing House Certificate. **$1,000.** Dec 13, 1914. Western Bank Note Co. Brown. **VG,** POC, cancelled December 20, 1915.
***($500-1,000)***

In August 1914, the First World War broke out in Europe. Panic spread across the United States; gold payments were suspended and the stock exchanges were closed. The clearing houses, anticipating trouble, hurriedly prepared large denomination certificates preparatory to a need to conserve cash in case of bank runs, which were fortunately not of any duration. We have handled only one other certificate of this crisis in 23 years and would anticipate a strong price for this beautiful piece.

It should be noted that apparently a few of these got out and an advertisement for a Daily Keno/Lotto/Quinto game was printed in green in large letters on the back.

Payable at Morrison Sons & Co., London, signed by J. Robinson as President. After the bank went into liquidation in March 1841, Dunlap, Biddle's son-in-law was removed as president and Robinson took over. Instruments signed by Robinson are much rarer than those signed by Biddle because few bills were issued because of the Bank's poor credit. The sale of bills of exchange at long term was a means for raising cash in America to discharge the bank's debts, but proved to be a very expensive means of do so.

# TERMS OF SALE

1) A 10% buyers charge will be added to the hammer price of each lot purchased.

2) All bids are per lot as numbered in this catalogue.

3) Bids less than 50% of the estimate **will not be accepted.**

4) We reserve the right to withdraw any lot prior to sale.

5) All successful bidders shall be billed for postage, handling and insurance.

6) **We cannot be responsible for the loss of any merchandise shipped outside the United States.**

7) **All framed items are shipped at the purchaser's risk.**

8) SMYTHE reserves the right to **reject any bids not made in good faith and further reserves the right to ban any bidder from participation in its sales for any reason deemed appropriate at our sole discretion.**

9) A SMYTHE auction bidder expressly waives any claim or right to any accounting, damages or compensation arising out of SMYTHE'S failure to receive or execute any bid due to exclusion from our sales, clerical errors or other causes. No bids will be accepted from any person who has not signed a registration form or a bidder sheet.

10) United States coins and currency will not, in conformity with law, be opened at less than face value.

11) No "buy" or "unlimited" bids will be accepted. We will act as agents for all mail bidders in the sale. Mail bids will be opened at the next interval over the second highest bid except where the intrinsic or rarity value (market worth) of the item dictates an opening at its fair market value. Floor bidding intervals will have an average increment of about 5% at the discretion of the auctioneer. "Cut" bids (bids at less than the regular bidding interval) will be accepted, but they must be no less than half of the regular interval over the previous bid. Each bidder may make only one "cut" bid per lot, and if they are out bid, they may make no further bids on that lot.

12) In the case of a tie between a mail bidder on the book and a bidder on the floor, the mail bidder shall take precedence.

13) **All bids must be in whole dollar amounts. Percentage increases will be rounded up to the nearest dollar.**

14) **Check your bid sheets carefully. We can not assume any responsibility for errors made in the amount bid or lot numbers listed. Make sure your sheet is signed.**

15) No minors may participate in our sales. **Agents bidding on behalf of others will be held liable if their principals fail to make payment.**

16) Payment for purchases is to be made by cash, check, money order or bank wire upon receipt of invoice. No lots may be taken away unless paid for in full. A late charge of 1 1/2% per month will be charged on the invoice total if payment is not received **within 10 days** of mailing the invoice. Bidders not known to us are required to deposit 25% of their total bids in advance. Credit cards will not be accepted for auction purchases.

17) Title does not pass until payment in full is received. SMYTHE reserves the right to await clearance of any check before making delivery.

18) If a collection agency or attorney is required to collect outstanding accounts, all agency and court costs, witness and attorney fees and all other costs of any kind incurred by SMYTHE in procuring judgement shall be borne by the defendant. The signer of a SMYTHE bid sheet or participant in the auction concedes the jurisdiction of the courts of the U.S. in New York City or the New York State courts as SMYTHE alone shall elect. The participant in a SMYTHE auction also assumes both corporate and personal liability for unpaid auction bills.

19) SMYTHE may reopen the bidding on a lot under the following circumstances: 1) SMYTHE has failed to execute correctly a mail bid. 2) A party purchasing the lot on the floor has done so in error. 3) Where a protest is made after the hammer has fallen but before bidding has commenced on the next lot. 4) Where the auctioneer has determined that he has overlooked a party still bidding on the lot but before the calling of the next lot. 5) At the discretion of the auctioneer.

20) In the event of dispute, the auctioneer's decision is final.

21) New York State sales taxes or other state sales or use taxes shall be levied, as required by law. Dealers and other non residents are reminded that sales tax must be collected unless Form ST 128.1 has been filed properly under regulations effective 1 December 1982.

22) No price adjustments will be made on the hammer price of a lot whether there is a complaint about the whole lot or only one item in it. The entire lot must be returned if a refund is to be made.

23) In the event of insurance-related litigation the plaintiff shall pay SMYTHE'S legal costs, counsel and witness fees and all other costs incurred by it in defense against such suit (whether such litigation or any form expanded in the New York prime rate from the date of original disbursement).

24) The same procedures applicable to SMYTHE apply to each and every one of their officers and employees unless they shall be specifically excluding by selling lots or listed goods.

25) SMYTHE assumes no liability for merchandise lost, stolen or damaged while in the possession of a party or whose merchandise has been shipped. The purchaser is solely responsible for the safe keeping and insurance of any items in their possession.

26) All accounts are payable to SMYTHE in U.S. funds and remittances must cover the service charges for foreign drafts which should be added to each invoice.

27) **All material in this catalogue is unconditionally guaranteed to be genuine.**

28) No lots may be returned by floor bidders except for inauthenticity.

29) Mail bidders may return lots for reasons of inauthenticity or improper description within 5 days of receipt or thirty days from the auction's last day, whichever comes first. Failure to execute this privilege in a timely manner either from a desire to pay promptly or from any other cause shall void it.

30) In cases where a question has arisen as to the authenticity of an item, the purchaser must, before settlement and 120 days after the sale, notify SMYTHE of his intention to return the item, confirmed in writing. The item will be examined by a recognized expert. If the item proves authentic, the sale will be consummated. If the item is not authentic, the sale price will be refunded.

31) The auctioneer reserves the right to postpone the sale by auction for a reasonable period of time as a result of any significant event which, in the sole discretion of the auctioneer, makes it advisable to postpone the event. No prospective bidder or prospective buyer shall have recourse as a result of any postponement.

32) The placing of a bid shall constitute **full acceptance of the foregoing terms and conditions of sale.**
